DOUBLE STANDARD

BALTIMORE - (NPI) --Negro men convicted of raping white women usually get the death penalty in Maryland, while white men convicted of raping Negro women can expect little punishment, Joseph C. Howard, Negro assistant states attorney has charged. Rape cases "are so unjustly handled that it could be easily assumed that the courts intend to infuriate the Negro at all levels by one means or another," said Howard, chief of the trial section of the prosecutor's office. "When the Negro is charged with raping a white woman, the police investigation is thorough and abundant. If the victim involved is a Negro, the investigation is almost always void of details," he added.

Negroes Dig Jews More

CHICAGO - (NPI) -- A study of Negro attitudes toward Jews has indicated that Negroes "feel more friendly toward Jews than toward other whites." Interim results of the study were made public by the Anti-Defamation League of B'nai B'rith in an effort to refute a recurring charge of strong Negro-anti-Semitism.
