

Who's Who and Doing What

On the evening of November 12, nine local young ladies will make their formal bow to society as "Debutantes of 1966" under the sponsorship of the Les Femmes Douze Club.

Because of the great interest generated, annually, in the current crop of "Debs", Who's

MARY WASHINGTON

Daughter of Mr. and Mrs. Richard Washington

"My name is Mary Louise Washington. I am 16 years of age and was born May 20, 1950 in Lake Village, Arkansas. My family and I have been residents of Las Vegas for a year and 8 months. I have four brothers and three sisters.

I attend Rancho High School of Las Vegas where I am a member of the Rancho Ram Band (Concert and Marching). The instruments that I play are flute and clarinet.

I've played the flute for a year and two months, and the clarinet for three and a half years. I have a great interest in music, but I would not want to devote a lifetime career to it. In my spare time, I'm occupied with the piano which is very enjoyable. Music, to me, helps people to share their feelings and to trust each other. It helps to express one's feelings, also. It's a universal language, one which the people of all times and all countries can understand.

In the past years, I have been a member of the 4-H Club, where I served as Vice-President and Secretary, and attended 4-H County and State Camps. As a Girl Scout, I was secretary to the troop. I have also enjoyed membership in a Pen Pal Club wherein members communicate all over the world by sending ideas, pictures, and information about themselves, their home town's etc. through the mail to learn about each other's countries. One had to be, at least, a "B" student to enroll in the club--it was a school project.

My hobbies are dancing, listening to music, horseback riding, collecting old money, and eating Bar-b-que potatoes while drinking Tiki punch.

From the 1st to the 9th grade, I attended Central High School in Lake Village, Ark. In the 10th and 11th grades, I attended Rancho High School where I am presently a Senior. I was also chosen Homecoming Queen at Central High School, twice.

After College, my ambition is to be a model. I plan to attend either Arkansas A.M. & N, or a College in California, the choice of which I have not yet made.

SANDRA FAYE HOLMES

Daughter of Mr. and Mrs. Richard Holmes

I, Sandra Faye Holmes, was born June 13, 1948 in the small town of Tallulah, Louisiana, the first child of Mr. and Mrs. Richard James. I have five brothers and one sister.

I started school at the age of six under Mrs. Walker at Westside School in Las Vegas. I later attended Madison for four years, and John C. Fremont School for two years. I, then, became a student at Western High School where I am now in my senior year.

Some of my hobbies are sewing, cooking, and playing ball. The one I most prefer is sewing. I make a lot of my clothes without the help of my mother until there is a great problem.

A few of the activities I've participated in are a fashion show, a play, and a drill team. I had no choice but to be in the fashion show at school in the 7th grade. I was in the play under Mr. Booker where

EDDYE K. KIM

Who is presenting the autobiographies of the '66 Debs. By offering the self-profiles of the girls in groups of three, readers will have opportunity to become acquainted with all of the '66 Debs before their November 12 debut.

I memorized and recited the Gettysburg Address. I also was in a drill team in the 9th grade at John C. Fremont. We marched in the Hellsboro Parade, and also at various Junior High Schools.

I have some bad habits I am making an effort to break; one I am criticized most for is being too 'quiet' ... talking too little, and when I do, not speaking up loudly enough when I'm spoken to.

After I finish High School, I would like to attend College. The College of my choice is the University of Southern California (USC). I plan to major in Elementary Education. I've been told by a few people that Elementary Education is very difficult, but it is what I want most to do, and I'm going to try it, and hope to succeed in it.

My best subjects have been Typing, Book-keeping and Geometry. Those I disliked the most were U.S. History and English.

BEVERLY MCGHEE

Daughter of Mrs. Ruth Gordon and Mr. Luther McGhee

My name is Beverly McGhee, and I am 16 years old. I was born in Las Vegas, September 12, 1949 and have lived here ever since.

I am a Senior at Rancho High School. As an honorary member of the Pep Club, I enjoyed the trip to Disneyland made by the Club in the summer open to all members desiring to go. I'm also a member of the Girls Recreation Association. Last year, I received a pin by earning 500 points. This year, I received a sweater and two chevrons for earning 1000 points. I hope to earn 1800 points and a trophy.

When I complete my high school education, I plan to attend College. I would like to attend the University of Southern California and major in elementary school teaching.

My favorite pastime is dancing and listening to records. I enjoy school very much, especially the way it is at Rancho on the modular schedule.

I hope to enjoy being a Debutante. Ever since they were organized, I have wanted to be a Deb. So far, it has been very enjoyable and interesting.
