

ASK THE "IN" CROWD

AMOS WALKER, only SONY representative in Nevada specializing in Video Tape Recorders reports that the Las Vegas "In" crowd 'digs' Stereo Voice & Vision located at 1155 Las Vegas Blvd. So., where Walker displays his Company's highly technical wares.

A former resident of Denver, Colorado, 25-year-old Amos Walker is now making Las Vegas his home, and urges his new 'hometowners' to drop in and 'hi' and check yourselves on TV in the meanwhile.

CANDIDATES INVITED

The Welfare Division of the Department of Health and Welfare has extended an invitation to Legislative Candidates from Clark County, Members of the Clark County Child Welfare Board and the Clark County Commissioners to visit the Tonopah Highway office of the Welfare Department on November 2 to go with a Caseworker to the home of a family or person who is receiving Public Aid.

Administrators of the Welfare Department expressed an opinion that the Officials and Candidates would find such "visits informative because legislation affecting over 4000 persons who receive aid in Clark County each month under the existing Programs--Old Age Assistance, Aid to Dependent Children, Aid to the Blind, Medical Assistance to the Aged, is to be presented to the forthcoming session of the Legislature." The invitation also noted that "In addition, at this session you will be asked to consider proposals for coverage of needy persons not included in existing programs".

**Disrespect
Of Law By
Whites Told**

WASHINGTON - (NPI) -- More widespread than the publicized act of rioters protesting denial of civil rights is the "massive disobedience" of white people in their disregard for laws passed to bring about equality of Negroes, declared the Most Rev. Peter I. Gerety, Bishop Coadjuter, Portland, Me. Speaking at a special Labor Day mass, in the Shrine of the Sacred Heart Church, he noted that "The Negro knows that these laws are disregarded and disobeyed at every turn--and he is the victim of this quiet lawlessness."

BANK BIAS

NEW YORK--(NPI) -- Fifty of the largest banks in the country have been accused of virtually excluding Jews from executive positions because of prejudice. The American Jewish committee announced that a 15-month survey had disclosed that Jews hold only 0.6 per cent of the senior positions in banks in New York, where they make up 30 per cent of the population. Throughout the country, only 1.3 per cent of senior office bank positions are held by Jews, the survey showed.
