

WHO'S WHO and doing what

By EDDY K. KIM

On November 12, nine lovely young Las Vegas debutantes will be formally presented to society under the sponsorship of the Les Femmes Douze Club. In order to acquaint readers of Who's Who with the Debs, last week we offered the autobiographies of Mary Washington, Sandra Faye Holmes, and Beverly McGhee. In today's column, self-profiles of another trio of the debutantes are presented.

GLORIA WINDER

Daughter of Mr. and Mrs. Charles Winder I, Gloria Winder, was born in San Francisco, California on August 7, 1949. I moved to Las Vegas when I was about three years old. I have seven brothers and sisters - two girls and five boys.

I am a Catholic and attend St. James Catholic Church.

My education began at St. Peter's School in Henderson where I remained until the fourth grade. From there, I went to St. Anne's from which I was graduated.

While attending St. Anne's, in the 8th grade, I was elected Vice-President of the Pep Club.

My High School years, so far, have been spent at Bishop Gorman High School. In the 9th grade, I participated in G.A.A. and I was a member of the City League Basketball team. That year, I also received the Algebra I Award.

When I was a Sophomore, I joined the Spanish Club (of which I am still a member) and the Glee Club. Instead of Physical Education, that year, I was in a Bowling

Class. I joined a team of two other girls and, by luck alone, we managed to win first place in the school. For this, we each were presented with trophies.

My Junior year was much the same as before. I was again active in the Spanish Club and Glee Club - I am an honorary member of the latter.

My favorite hobby is dancing, and my most liked subject is English.

YVONNE JACQUELINE HALL

Daughter of Mr. and Mrs. Curtis J. Hall I, Yvonne Jacqueline Hall, was born October 31, 1949 to Mr. and Mrs. Curtis J. Hall, Sr., at Jamison Sanitarium, Texarkana, Arkansas. At the age of three, I was chosen Delta Sigma Theta Queen in a "Baby Contest."

I enrolled at Rocky Ford Elementary School in June, 1954 and attended school there until

1956, when I entered Richland Elementary School. In 1958, I became active in 4H work. In April, 1959, I entered the "County Timely Speech Contest", representing Richland School and won the Grand Championship Award for my speech.

On my summer vacation here in Las Vegas in June, 1961, I appeared on the Bob Bailey Television Show and recited my "Timely" speech which was entitled "The Beauty of Personality."

I enrolled in the Riverside School in June 1961 where I played on the Elementary School Basketball team. Then, in 1962, I moved to Las Vegas with my parents and brother. In September of 1962, I entered the 8th grade at K. O. Knudson Jr. High School, Las Vegas, Nevada. I was a member of the Girls' Glee Club, and represented K. O. Knudson in the Honor Concert at the Convention Center.

In 1964, I entered Rancho High School where I am, presently, a Senior.

Gamma Phi Delta Conclave

MEMBERS of GAMMA PHI DELTA SORORITY'S Far Western Region gathered at the Mint Hotel over the past week-end for a memorable (and fun-filled) Conference... All the usual activities, business and social, of such a conclave occurred--and then some.

Top Left, Photo pictures Mrs. Thelma Toms, Basileus of Alpha Rho Chapter, Las Vegas, receiving the gavel of office from outgoing Regional Director; Luther Mae Adams (right) of Berkeley whom the localite replaced... Smilingly in the middle, is Supreme Basileus, Kay Davis, who flew in from her home in Dayton, Ohio to attend the conference.

As pert and pretty a foursome as you would want to behold, in top photo right, are (from left) Cleopatra Vaughn, San Francisco; Lucille Gee, Las Vegas; Kay Davis, again; and Tony Wilson, also of San Francisco.

Caught busily engaged in 'politicking' at election time (bottom photo--from left) are local Sorors, Avanelle Lewis, Sondra Reid, Marjorie Elliott, and Nina Kellar.

BRENDA ROSE NELL COOPER

Daughter of Mr. and Mrs. Charles Cooper I, Brenda Cooper, am a senior at Las Vegas High School. I was born in Fordyce, Arkansas, June 18, 1948.

My hobbies are reading, writing, and playing the flute. I have played the flute and piccolo for nine years, and am a member of the school Varsity Band. I am also a member of the Choir.

After finishing High School, I will continue my education at A M & N College in Pine Bluff, Arkansas. My desire is

to major in education and become a secondary English teacher.
