

A DYNAMIC LEADER  
FOR A DYNAMIC STATE!

**SAWYER**

Democrat for GOVERNOR

**NEVADA LEADS  
THE NATION!**

Nevada, with a total population only equivalent to a suburban city, has reached a mighty impressive place in the nation during the administration of Governor Sawyer. Small we are, but look how we rank! Nevadans agree: we also have been tops in our leadership!

**FIRST!**

Nevada leads... in percentage change of total resident population. Nevada ranks 1st in the nation.

**FIRST!**

Nevada leads... in per capita retail sales. Nevada ranks 1st in the nation.

**FIRST!**

Nevada leads... in increase in number of manufacturing firms. The highest percentage increase in the nation.

**FIRST!**

Nevada leads... in percentage of households with incomes of \$10,000 or more.

**FIRST!**

Nevada leads... in percentage increase in number of high school graduates.

**FIRST!**

Nevada leads... in per capita expenditure by state and local governments for police protection.

**FIRST!**

Nevada leads... in percentage change in public elementary and secondary school enrollment.

**FIRST!**

Nevada leads... in public school enrollment as a percent of school-age population.

**FIRST!**

Nevada leads... in tourism; out-of-state visitors to Nevada far outrank visitors to such tourist spots as Florida and Washington, D.C.

**FIRST!**

Nevada leads... in per capita income over the last 8 year period.
