

# We've Been WONDERING

WHY that certain Slumlord, who has a thriving, skylocking business as a side line, doesn't put some of the profits back into his pads? Then, maybe, he would get tenants he won't have to threaten in order to collect rent.

? ? ? ? ?

WHY that certain Sister Frocker who makes the scenes solo, and usually wall flowers the evening thru, (checking the action of others) doesn't check the rules? If one wants to be accepted, one first has to accept.

? ? ? ? ?

WHY Carl (hip-shooter) Wilson doesn't climb out of his act of being upset and just be his same ole mean self? None of his podners can get ready for his sanctified act about the dolls whose only crime was having a ball.

? ? ? ? ?

WHY that certain West Las Vegas wheel who pushed so hard to retain Rev. Bennett as the NAACP Prez in '64 is pushing so much harder to get himself elected this time.

? ? ? ? ?

WHY some "not-wrapped-too-tight" married gals, whose husbands are often conspicuously absent at the many affairs they attend, seem to have the idea that their friends' spouses are obligated to entertain them.

? ? ? ? ?

WHY the Cab Companies don't make up their minds whether to service West Vegas or not? Reliable sources report having had to wait as long as two (2) hours for service.

? ? ? ? ?

WHY the sequences of 1-11-12-13-14-21-22-23, and 34-35-36-37-38-45-46-47, are supposed to be lucky for persons born in August, September and October.

? ? ? ? ?

WHY that big foul-mouth broad (if she went Bear Hunting the only weapon she would need would be a switch) doesn't realize that the social behavior of anyone is something that never goes unnoticed. A bear would probably run for cover if she made the scene.)

? ? ? ? ?

WHY those vermin that burn up the hi-ways and by-ways in patched-up junk heaps hurling insults and obscenities at the females don't wise up. There is a law against this that carries a stiff penalty.

? ? ? ? ?

WHY that certain "never-wed" and her "unwed" crony of many sorties don't use some of their under-scale entertainment fees to feed their youngsters? Most every p.m. the children can be seen begging dimes from shoppers.

? ? ? ? ?

WHY that certain Bronzeville Hotel executive (S) takes such a dim view of the love life of his ace podner? (From what we've heard, this exec was "something different" before he got hitched).

# The Scene and The Seen

A TREAT, unquestionably, for the "Gams" connoisseurs at the Cove Hotel's Halloween Party as barely disguised Dora Johnson shows off her costume.

MADE UP FOR WHAT we don't know, but five will get you ten that Tom Whittle (left) and Q. B. Bush, hobgoblins of the Cove Hotel, were not reluctant to "make up" to this lovely party guest slightly disguised as a beauty of the Roaring 20's--Exactly how the Roman Empire fell, boys.

Lovely local ladies, Ida Crockett (left) and Vernita Stricklin (right) hostess an out-of-town friend to watch and enjoy the festivities of Halloween as observed at the Cove...Miss Stricklin manages to keep her cool and charming demeanor despite the erroneous report (chronicled in the VOICE, of all places) of a wedding in the offing...She has no more than a nodding acquaintance with the gentleman--A thousand pardons, Vernita, but, like they say, it's better to be looked over than over-looked. Next time, you tell us who and when.

THE KING in his counting house--No matter what the occasion, or the costume the calendar date calls for, you'd better believe 'business as usual' is the order of the day... His Royal Highness, Clarence Ray, is living proof (in living color, too, at the Cove's gala Halloween affair).
