The SAND GIANTS mopped up the LAS VEGAS CLUB BOMBERS 29 to 7 yesterday in a Pop Warner League football game bringing them closer to qualifying for International Bowl play scheduled for Fontana, California later this month.

KENNETH PROCTOR scored one touchdown for the winning GIANTS, and helped set up another. JOHN LOZZIE was another stand-out as he scored three touchdowns and played a tremendous defensive game... LOZZIE and PROCTOR have been the bread and butter men for the GIANTS with PORTER'S razzle dazzle running and LOZZIE'S bull-dozing running outs on would-be tacklers... DON ADAMS of the LV CLUB BOMBERS did some very spectacular running himself in scoring the only touchdown for his team... Little GREG PORTER played a bang-up game at tackle for the GIANTS... All these great little future gridiron stars are to be commended for outstanding sportsmanship as well as great play on the field.

The All American Boys Club extends best wishes to the GIANT players and coaches for continued success and an undefeated season... Deserving a big hand are the wonderful gentlemen who have given their all to make the GIANT club the well-balanced team it is that, thus far, boasts a 6 win--no loss record--They are; Head Coach, DON FARLEN, Bus. Mgr: DON MUNDEN, and coaches, MEL JOHNSON, PHIL TUCKER and AL PARKS.

Week-end College Football saw the USC TROJANS running all over the CALIFORNIA BEARS 35-9... WASHINGTON upset UCLA 16-3... STANFORD took the AIR FORCE 21-6... OREGON STATE banged up ARIZONA 31-12... ALABAMA destroyed LSU 21-0... MICHIGAN STATE cremated IOWA 56-7... ILLINOIS edged by MICHIGAN 28-21... BRIGHAM YOUNG won a thriller from TEXAS WESTERN 53-33... TEXAS U beat BAYLOR in a shocker 26-14... PURDUE hammered WISCONSIN 23-0... FLORIDA lost to GEORGIA 27-10... and TENNESSEE defeated CHATTANOOGA 28-10.

On the Pro-Football scene, the MINNESOTA VIKING'S very versatile quarterback, FRANK TARKENTON, ran and passed his team to victory over the league-leading GREEN BAY PACKERS... ELIJAH PITTS, who has proven himself as a stellar player since the injuries of the PACKERS' JIM TAYLOR and PAUL HORNING gave with everything he is capable of, but even all his grit and know-how was not enough to keep the VIKING'S brilliant TARKENTON from bringing the bacon home to Minnesota... The SAN FRANCISCO 49ers upset the

LOS ANGELES RAMS 21-13 in a rain-sloppy contest of fumbles and slippery hands as the two West Coast powerhouse men of destruction clashed and banged, and slipped off one another in a great battle which would have been an even greater game had it not been fought on a wet field... Fate was on the side of the ST. LOUIS CARDINALS all day... When it appeared the NEW YORK GIANTS would decapitate them, the CARDINALS came to life in the nick of time and came on to win 20-17... In a story-book thriller, the PHILADELPHIA EAGLES, sparked by the razzle-dazzle running of TIM BROWN, upset the DALLAS COWBOYS 24-23... "Mr. Quarterback", the BALTIMORE COLTS' formidable JOHNNY UNITAS passed and clicked with his phenomenal ball-handling to bombard the WASHINGTON REDSKINS 37-10... The OAKLAND RAIDERS managed to hang on to victory in defeating the OILERS of HOUSTON 38-23... Looking like the STEELERS of old, the PITTSBURGH STEELERS humiliated their old nemesis, the CLEVELAND BROWNS 16-6... The KANSAS CITY CHIEFS had to pull every trick of the trade to dethrone the SAN DIEGO CHARGERS as they battled down to the last whistle in beating the CHARGERS 24-14... The CHICAGO BEARS and the DETROIT LIONS, in a grueling super thriller, wound up in a 10-10 tie.

The "Big Cat", CLEVELAND WILLIAMS, is training vigorously for his November 14 fisticuffs date with Heavyweight Champ, CASIUS CLAY in WILLIAMS' home town, Houston, Texas... Champion CLAY says the "Big Cat" will need all that training and all the other help he can get--Clay said because he is meeting WILLIAMS in the latter's territory, he will have to demolish the "CAT" as quickly as possible and let all the people down Texas way know what he means by "I'm the Greatest"... CHUCK'S prediction: CLAY, the Champ in 10 rounds, KO or TKO.

JIMMY JAMES, young and up-coming heavy-weight, defeated the highly-touted TONY DOYLE of Salt Lake City at the Fremont last Thursday night... JAMES, who handled himself like a veteran, boxing and clouting DOYLE superbly throughout the Fight, really looks like a "Comer"... A good win for JIMMY making better paydays in the near future.

Referee NATE MORGAN, one of the best referees in the State of Nevada, is still doing a great job inside the squared circle--Can be seen at the Fremont on Thursdays, at the Greb Fights on Monday, and at the BILL MILLER promoted TV fights at the Silver Slipper.

Jackie Robinson Breaks Another Racial Barrier

LEWISBORO, N. Y.--(NPI)--Jackie Robinson obtained a permit to open an interracial country club, despite objections by area residents, who charged that club members might make too much noise.

Robinson, former star with the Brooklyn Dodgers, heads the club, to be called the Pheasant Valley Golf and Country club. It will be located about 40 miles from Manhattan, near the Connecticut border.

Residents living near the site of the proposed club charged the club might produce noise and traffic in the rural area. However, town officials approved it anyway.

HUNTING FIRST CLASS

PICTURED with the 20 guage shotgun and ring-neck pheasant is Bob Mabry who was among the few lucky hunters on opening day of the Pheasant Season... Mabry's kill was two Pheasants, twelve jackrabbits, and five cottontails.

Money In -Prejudice Out

NEW ORLEANS--(NPI)--The Crescent City, which has had much experience and trouble in sports, seems about to come into its own through big time football. The National Football league has selected New Orleans as the 16th major city where big time football will be played. The team will temporarily use the Sugar Bowl stadium while a new covered dome is being prepared.

New Orleans has been plagued by disasters in sports and most of it has come as a result of its racial prejudice. The city lost its minor league team--the New Orleans Pelicans--due to the unwillingness of the team to accept Negroes as players and to seat Negroes in the park on an unsegregated basis.

New Orleans then got its big black eye when it discriminated against the Negro players in an exhibition game and the players left as a consequence.

Now racial segregation is about ended in hotels, athletic contests, restaurants, etc. and New Orleans seems on its way again to big time in sports.

New Orleans once led the entire country in sports. The biggest fights of yesteryear were fought here. It now has everything a sports town wants, weather, lots of people, fine stadia and at least a restrained segregation attitude.
