

We've Been WONDERING

WHY that certain middle-aged Dude never knew how popular he was, or how nice his podners (Ruben and Big Al) could really be until--(Get This)--he showed on the scene with an imported 'Fox' with looks and good manners to match.

? ? ? ? ?

WHY those who are so dead set against open housing, don't check on how it works on Military Bases throughout the world, and even in the United States? Families of all races live side by side and love it...They'd only be 'disturbed' if an attempt was made to make something of it.

? ? ? ? ?

WHY that certain 'go-along' Head Porter doesn't stop adding insult to injury by making pointless telephone calls to the little doll? She ain't interested in his offers--she wants that Keno gig. (Let the Union wash its own dirty linen, Tom.)

? ? ? ? ?

WHY the Democratic Party doesn't check the history books once-in-awhile? During Reconstruction, the Republican Party WORKED to attract votes from any and all quarters, and a century later (1966), history has just repeated itself.

? ? ? ? ?

WHY in the days of magnificent scientific and social advances, the lawmakers are so far behind the times where legal abortions are concerned? It is "Poor Henry's" thinking that each individual has the right to live (his, her) personal life as long as the rights of others are not infringed upon.

? ? ? ? ?

WHY the sequences of 1-2-8-10-21-22-64-80, and 6-8-20-30-45-49-50-62; are supposed to be lucky for persons born in February, March and April.

? ? ? ? ?

WHY Hamm (Captain) Jackson of the D.I. has to act so smug because he's hitting the ball pretty good lately...We have news for him--Eddie (Wild Goose) McKinney is laying to turn his smile into tears.

? ? ? ? ?

WHY John D. Murray, better known as L.S.D.--'L' for Loghead, 'S' for Slap-dash, and 'D' for Dimwit, doesn't soften his pitch to the female customers. Some are taking him seriously, and the Main Stem ain't too happy about it.

? ? ? ? ?

WHY someone doesn't hip our podner, Tom "Mix-Well" Whittle, that it won't rub off? You either have to be born that way--use Man-Tan, or resort to a Sun Lamp.

? ? ? ? ?

WHY that Know-it-ALL Big Mouth can't realize that rankling and being contradictory may win a few skirmishes, but never wins the war...The losers of those battles will team up eventually to win the war, and wash Big Mouth down the drain.

HENRY 'P.' (for 'Puzzled')

The Scene and The Seen

The tan "Marlon Brando-type" gent on the left is not wanted to our knowledge except by several VOICE office visitors of the weaker sex who have demanded to know his identity--If there is a "Mrs. Marlon Brando-type", spare us--all we do is try to supply information, so if anyone can identify handsome cuss, and he's available---Well...Now you've heard of whistling while you work, but here's a new twist--Happy Food Checker at the Lake Mead and 'D' street 7-11 store is winsome Mrs. Maurice Smith--Dig, "Mrs."--Reckon she's not available... A gentleman and a scholar, obviously, is distinguished Jim Roberts, Las Vegas Press Club Bartender.

COME TO THE CARNIVAL is an invitation that is always accepted by kids of all ages as witnessed by the 'young' folk enjoying the fun rides at a recent Carnival in the West Owens Shopping Center.

THE HAPLESS DRIVER of this automobile is a licensed practical nurse at Southern Memorial Hospital which is where she wound up as a patient after a collision at Highland and Bonanza... Friends of Mrs. Ruth Richards are delighted that, unfortunate as the damage to the car is, the accident was less harmful to the person of their chum buddy.
