(FIRST NEGRO TO WIN NOBEL PRIZE)

WE ARE PROUD THAT REECo WAS THE FIRST.....

major employer in the industry in the State of Nevada to establish the position of Equal Employment Opportunity Compliance Officer on a full time basis.

Commenting on his first year with REECo, Joe Neal (see story and picture on right) said, "The Company has made significant progress in the employment and upgrading of minority groups in its work for the Atomic Energy Commission at the Nevada Test Site."

Neal added "It is a matter of record that while overall employment is down at REECo, the percentage of Negro employees is up. While there is much yet to be done, I believe REECo is going the right way."

JOE NEAL

JOE NEAL, Equal Employment Opportunity Compliance Officer for the Reynolds Electrical and Engineering Company, recently has completed his first year of administering the program for REECo at the Nevada Test Site.

Neal, a resident of Las Vegas for 13 years, resides with his wife and two daughters at 304 Lance Street in North Las Vegas. He served in the United States Air Force for four years, and then went to Titanium Metals Corporation of America in Henderson. He joined REECo in March of 1966.

Long an active and outspoken civil rights worker in the community, Neal is a graduate of Southern University in Baton Rouge, La. He holds a bachelor's degree in political science.
