WHO'S WHO and doing what

By EDDYE K. KIM

Dr. James I. Mason, Superintendent of the Clark County School District, was guest speaker at Kappa Alpha Psi Fraternity's recent Dinner at the Holiday Inn.

More than 86 young men whose scholastic level ranged from Junior High School to College were guests of the local chapter's annual observance of the national fraternity's Guide Right Program. Members of Kappa Alpha Psi Fraternity hold these annual events to inform and inspire young students, throughout the country, to the advantages of higher education.

THE BASIC function of the program is the awarding of scholarships to deserving students from the Fraternity. This year's event was arranged by Kappas' members Kermit Booker, Jr., serving as Chairman; Herschel Williams, Co-Chairman; Lee Rayford, and J. David Hoggard, Jr.

"Training for Leadership" was the appropriate subject of Dr. Mason's address.

MANY HAPPY RETURNS OF THE DAY was the sentiment expressed at the Miller Street home of Mr. and Mrs. Loycie Neal when the lovely Lela Neal hosted a sit-down dinner for 20 to commemorate the happy occasion of her and her friend, May Couyette's, first day on earth day... Most of the guests were co-workers of Mrs. Neal at the Pleasant Grove Baptist Church, among whom are shown here are Mr. and Mrs. Fred Thompson, Cora Butler, Irene French, and Rev. J. C. Kemp... Standing are Mary Hays and Vicki Neal (right), the Neal's daughter.

Never since its inception has Colonel Frank's L'il Theatre had such a beautiful and appreciative group of youngsters as those who 'interviewed' the Colonel and "Clyde" when Operation Independence's little guys and dolls lunched at the theatre, recently, and applauded the cartoons, under careful and loving supervision of Hattie Prowell (left) and Linda Lewis.
