

We've Been WONDERING

WHY those good folks out at that certain High School don't realize the damage they do when they give a diploma to a student totally unprepared and unqualified. (Could this be their way of getting rid of what they feel is a 'nothing')
? ? ? ? ?

WHY some of those, who haven't visited the Agnes Lounge, but are giving out with adverse publicity about it, don't do as Rev. Prentiss Walker did and check out the happenin's first hand. (Knowing what one is talking about and just guessing are different sumpins, dig.)
? ? ? ? ?

WHY that Charlie businessman, who has been making it in Bronzeville much many years, is so unhipped to who's who and what to say to whom. Like refusing to cash a check drawn on Bob Bailey's Bistro without first checking the facts. Take note Punk-in: Bob Bailey has been in business thirteen (13) years and not one of his checks has ever bounced. (Can you claim the same?)
? ? ? ? ?

WHY those big mouths who bragged to the saleslady (loud enough to be heard up at the Test Site) "Ah got enuf munny (money) to BURN up a wet mule," didn't also explain that in the past year their home was foreclosed because of 18 payments in arrears. Also that the finance Co. snatched their late model buggy.
? ? ? ? ?

WHY the health folks don't check that Soul Food Market in the heart of Bronzeville. The smell that hits one in the face upon entering is enough to make a stomach quake and quivver. Out-of-towners are wondering if this joint is the community Outhouse.
? ? ? ? ?

WHY the sequences of 13-14-23-24-33-34-39-40, and 43-44-45-55-56-57-67-68, are supposed to be lucky for persons born in April, May and June.
? ? ? ? ?

WHY Booker T. Burns (Barbershop Booker) hasn't been seen around his regular haunts lately. Could it be he's afraid the boys are going to get to him about his statements of the past?--like marriage is for the birds and being a bachelor is where it's at. (We are happy for you pod but you still have a good ribbing coming.)
? ? ? ? ?

WHY some certain dealers don't take a trip to the Strip, check the scenes, and get hipped. They are on the job for the customer's convenience not the other way around. Also over-familiarity (whether they know the customer or not) is definitely out; get the message? It is nice to be important, but more important to be nice.)
? ? ? ? ?

WHY Charles Foreman (Dagwood to you) doesn't relax a little? He is steady trying to catch everything in sight. The other a.m., the poor boob almost snared a feller, (in drag). Of course he had no way of knowing. Take your time Chum, and let baby keep the faith.
? ? ? ? ?

WHY that little doll, who answers to the name "Peaches," doesn't give the guy a little room to breathe once in a while? After all, the dude is no spring chicken and it is a shame the way she is using a good thing (bad girl).
? ? ? ? ?

WHY Mary Bishop doesn't open a Soul Food Restaurant? The "spread" she put on last Sunday had Joel (himself) Santiago and Richard (eatmore) Bolden licking their chops for days, and angling for another invite--not to mention Hoss Westwright, Celeta Hunter, Little Joe Westwright, Poor "Henry" and Helen Carruthers.--Chop lickers, all.
? ? ? ? ?

WHY some folks call the Nevada Voters League, the Westside Voters League? There ain't no Westside Voters League. That recent sample ballot endorsing Cory was a stink-

KIT CARSON COUNCIL MEETING TONIGHT

Mrs. Johnnie Mae Armstrong, Chairman of the Kit Carson Neighborhood Council, announced that the Council's general business meeting to be held tonight at 7:30 at the Kit Carson School is a very important meeting and urges everyone to attend.

Additional information may be obtained by calling the Council Service Worker, Mrs. Addie R. Blake at 382-5914.

NYC SUMMER PROGRAM ORIENTATION CLASSES

Local Neighborhood Youth Corps Counselors began conducting county-wide enrollment Monday, June 5, for the Summer NYC Program that will involve 250 youths of Clark County.

An Orientation Class for Westside students who have been enrolled was held this morning (June 8) at 9 a.m. in the Multi-Purpose Room of Highland Elementary School. Subsequent Orientation Classes will be conducted next Thursday (June 15) in each High School zone area. Students will attend classes in the High Schools they regularly attend.

The Summer Program will occupy students on campus jobs involving office practices and teacher-custodian-gardening-nurses-transportation-audio-visual-and construction aides.

Various programs involved include Summer Schools, Remedial Education and Head Start Program.

Youngsters are permitted to work a maximum of 30 hours a week at \$1.25 an hour. They are supervised by classified or certified personnel of the School District.

ing fraud. We wonder who done the dirty work? The real Voters League endorsed Reed Whipple.
