

Fishing

By

"The Crappie Catcher"

Crappie in all sizes from a half pound up to 3 pounds are being caught in great numbers in Iceburg Canyon.

Syd "Long-Wind" Bishop, playing the part of the Lone Mariner, fished the Mud Point in Iceburg last Thursday night with good results. Actually, "Bish" was the first to bring back the news, "the Crappie are biting in Iceburg."

Jodie Cannon, "Fast Fishing" DeWitt, and the "Red" Marions rushed off to the happy fishing grounds immediately after "Long Wind" brought back the news. They each had excellent catches of Crappie and limits of Bass in the canyon area.

THE NIGHTS are beginning to become a little frosty. Don't forget to take a heater aboard, but don't miss out on this excellent run of Crappie and Bass.

Small Cats with a few keepers, are biting well in the Iceburg area. Also, excellent catches of Cats are reported in the Black Island area of Vegas Wash. Water dogs have been the best bait.

Bass have been taking night crawlers in preference to dogs in Vegas Wash. Nightcrawlers have also been producing some good-sized Cats in the Wash.

Iceburg Canyon is the top spot at this time.

Try night crawlers on your next fishing trip. Fish them on the bottom, moving them with a very gentle lift of the rod every 20 or 30 seconds. You will get some pleasant surprises.

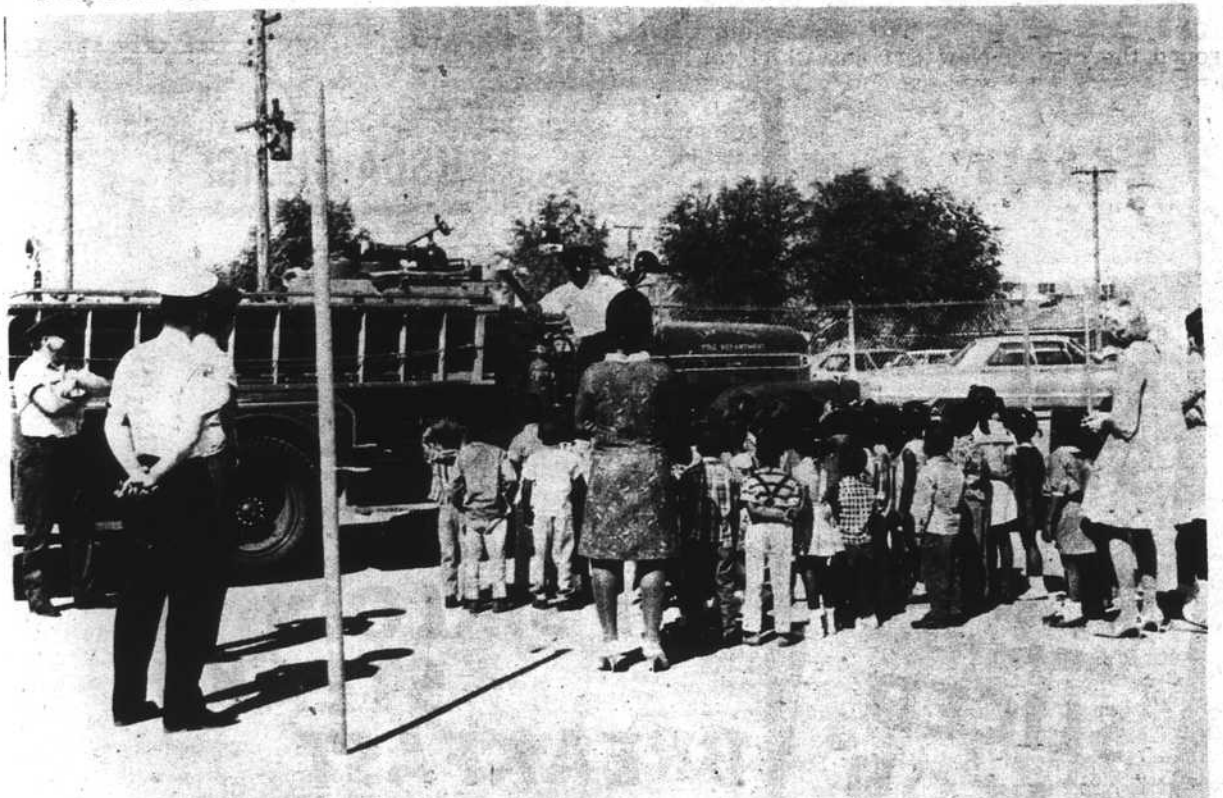

"THE FUZZ" CAN'T BE ALL BAD, KIDS AGREE (Almost)

ANOTHER IMAGE--The Las Vegas Police Department Public Relation Division, headed by Detective Sgt. L. L. Ketzenberger, hosted youngsters, pictured above, to the recent J. C. County Fair at Convention Center.

In keeping with the Department's program to promote better community relations, the LV P.D.'s PR Division made it possible for the children to enjoy the County Fair... Free tickets for entrance to the Fair and all rides were furnished by Lt. R. J. Dunn. Detective Wilbur Jackson (shown in photo) served as bus driver and chaperone.

PERFECT TIMING FOR MADISON SAFETY CLASSES

KINDERGARTENERS at Madison School have been studying safety under the direction of Mrs. Goynes, Room one teacher, and Room 3 teacher Mrs. Oestreich, and Mrs. Anson, an extra Kindergarten teacher who divides her time between the two classes... Classes are taken on field trips learning how to walk and where to walk to and from school. Officers from the Las Vegas Police Department have visited the classes and shown large posters of STOP signs, the yellow triangle YIELD sign and what they mean. Additional training was given youngsters on what to do when lost and the importance of knowing one's name and address and the ability to speak clearly.

Then came the time for the youngsters to study and learn safety measures from the Las Vegas Fire Department. On the eve of the declared "Fire Prevention Week", the assignment was an especially welcome one for Inspector Powell who met with both Kindergarten classes on Sept. 28...

HERE IS THE ANSWER TO MANY QUERIES

RICHMOND, Va. - (NPI)--H. Rap Brown--repeatedly arrested, indicted, and released on charges of stirring up trouble--has been freed again. The SNCC chairman was released on \$10,000 bond and put in the custody of his lawyer, William M. Kunstler, on the understanding he would remain in southern New York except for travel to court hearings.

Brown is to appear Oct. 13 in Corporation Court, Alexandria, Va., to challenge extradition to Maryland, where he is under indictment for supposedly starting a riot in Cambridge.
