

Cake Biting Contest Relaxes Theology Students

A TIME TO PLAY-- The Reverends William Smith, Curtis Spencer, and Roy Wilson engaged in a cake-biting contest with Rev. Roy Wilson emerging the winner to the delight of observer Rev. J. L. Simmons.

Festivities kicked off opening of the Baptist Extension Theological Seminary's second semester ... Enrollment began Nov. 27 and the fee for the course is \$9 plus cost of books. Dean of the Seminary is Rev. I. W. Wilson, and Rev. J. Simmons is Director.

Nevadans Urged To Take Test For Sake Of Safety

CARSON CITY--Nevadans everywhere--and particularly those boys and girls taking driver education courses in the state--are being encouraged to take the second National Drivers Test when it is aired nationally over CBS network on December 5, 1967.

Thousands of test forms have been obtained and are to be distributed to all schools in the state through cooperative efforts of the Department of Motor Vehicles and the State Department of Education.

Plans for the distribution of the forms were completed recently at a meeting involving E. H. (Bud) Miller, Nevada Highway Safety Coordinator and Bert Cooper, Driver Education Consultant for the Education Department.

MILLER SAID that his office had received 12,000 test forms from the National Safety Council and that over half of these would be distributed to all schools in the state so that students actually could check off their answers when the program is televised the night of December 5.

Both Miller and Cooper urged everyone to take the test--not just those students enrolled in driving courses at the various schools.

"In this repeat performance," Miller said, "everyone will have the opportunity to retest himself on the many hazards of the highway, particularly at a time when critical winter driving conditions are approaching."

Nearly 100 million viewers have watched the National Drivers Test the past three years, making it the most popular public service program ever carried on a single TV network.

Miller, whose office is charged with promoting safety along Nevada's highways, said that the National Drivers Test provides one of the best opportunities to get people and groups to participate in a safety activity.

"Through the test they learn specific defensive techniques that could save their lives," he said. The test will be shown over KOLO-TV in Reno and KLAS-TV in Las Vegas starting at 10 p.m. December 5.
