

### Surprise Appearance At Nero's Nook

THEY DID IT AGAIN—Wendell and Donnell Cosey, Las Vegas' very own 11-year-old twins, proteges of the famous Checkmates, Ltd., rocked and highlighted the show at Caesars Palace's Nero's Nook Friday night when they made an unannounced appearance there where the Checkmates are currently playing.

The twins were showered with congratulations on their spectacular performance by many celebrities and personalities who happened to be present. Included among them were Joe Louis, Eartha Kitt, and Lou Rawls' agent. Spectators were astonished to learn the Cosey twins are not professionals. However, the boys will begin professional training after the first of the year, and have made plans to study in Los Angeles during their summer vacation.

The talented Cosey twins wish to publicly express their appreciation to the Checkmates for allowing them to share their stage.
