

# THE ALPHA & OMEGA

In a Chicago recording studio with James Phelps as he records his latest Fontana single, "Wrong Number" and "Fabulous One".

Going over the arrangement for the big session are Al Smith, veteran producer; Phil Wright, arranger; Boo Frazier, national R&B promotion director for Fontana, and recording star James Phelps.

James begins his vocal work as he listens to instructions from the control room.

The session concluded, James sits in the control room and listens to the finished product.

Providing your car with emergency equipment could prevent many winter driving accidents and traffic tie-ups, warns Nevada Highway Safety Coordinator, E. H. (Bud) Miller. He suggests the following items be carried in the trunk throughout the dangerous winter months: A bucket of sand, shovel, tire chains, traction mats, tow chain or strap, battery booster cables, and flares or other types of warning lights.
