

We've Been WONDERING

WHY before the gossipers of choice hot items had the chance to reply "Now this is the way it really was," another 'holier than thou' jumped off in to Pugilistic bag and stuck long fist to his ever lovin one? Could it be the season is officially open for the "Don't do as I do, but do as I say" cats to put their houses in order.

? ? ? ? ?

WHY certain Soul Sisters who make the Strip scene (holidays only) don't spread a little cheer when repairing their paint jobs on the ladies lounge? Our lady spy dug eight broads at Caesars Palace, who had been given VIP treatment, leave a mess behind without even the courtesy of "thank you" extended to the attendant.

? ? ? ? ?

WHY when a certain "About Town" Bro was pushing a CHEVY he never received one citation, but since stepping up to a late model "HOG", he has received no less than SEVEN as of this writing. Could it be certain factions take a dim view of certain BROS' display of affluence without visible means.

? ? ? ? ?

WHY the possessor of a magnetic personality (despite which she is labeled by some as "Evil the most") who fashions her life after the fabled "Sappho", doesn't stop upbraiding and down-grading men at the slightest opportunity? Without MAN, she wouldn't be here. Also, we have news for her--Sappho ended her own life by flinging herself off a cliff because of MAN!

? ? ? ? ?

WHY the sequences of 9-18-19-20-38-39-49-50, and 65-66-74-75-76-77-78-79, are supposed to be lucky for persons born in June, July, and August.

? ? ? ? ?

WHY always publicly serene, considerate, polite, 'gay and good-natured' Mr. Goody who has gained the affection of the public doesn't project that image at home and favor his family with a little of his pleasing personality? From the time he hits the door of his domicile, he sets the house in an uproar finding fault, complaining, and at times, taking the rukusville trip. (Is there a Head Shrinker in the house?)

? ? ? ? ?

WHY our darling peach of a doll who answers to the name "Peaches" and who in the not too distant future is expecting to be blessed by a "Blessed Event" (dig?) doesn't clue a couple or three of her would-be associates in on her daily philosophy? Like--"Be anybody, but be realistic."

? ? ? ? ?

WHY in these uptight "BOSS" (barring none) pastures of pleasure with some of the keenest minds in the world in the driver's seat, the powers-that-be don't get their heads together of the pleasure for teens situation? SUGGESTION: A Teen Night Spot, centrally located, could do much much to relieve that shut-out, off-limits bag that is a drag to the KIDS and drives Cabaret Owners and the Gendarmes utsch-nay.

? ? ? ? ?

WHY that four-eyed, near balding KOOK of the Bi-Focal Jet Set had to wait 'till he reached the back side of 50 to get his NOSE WIDE OPEN for a Classy Lass who is a stone front runner with her sights set on UP - UP, is having conniptions because he wound up number one on the delightful Yum - Yum's "S" list? .. The message he ain't getting is "Cool the space FUEL, and he might stand a chance to be called just plain OLD Fool instead of BIG OLD Fool".
