

## JO MACKEY STUDENTS AID STRICKEN FAMILY

February 14, this year, found students of the Jo Mackey Elementary School engaged in a project of the heart far more serious and much more gratifying than making valentines.

The youngsters had drawn on all their resources to offer aid to the Willis Jackson family who suffered the tragic loss of two little girls (ages 3 and 4) in the disastrous fire that burned the family out of its home at 509 Recco on February 7.

Under the supervision of Jo Mackey principal H. P. Fitzgerald, an adult committee was formed with Mrs. Overton Curtis serving as Chairman. Other committee members were Mesdames Wilbert Jackson, Robert Fortson, and George Johnson. These ladies organized the project to which the students responded so warmly and so sympathetically. The Jackson home was in the Jo Mackey School zone.

The children brought a total of \$82 in cash, 324 cans of food, 15 bars of soap, and 32 boxes of staples to be given to the bereaved family who are now at the home of Mrs. Jackson's mother at 1921 Walker Street. The grieving parents have two other children, a seven year old daughter, and a son, age 2-1/2.

Mr. Jackson, whose hand was severely burned in the fire, will require additional surgery on his hand before he can return to work.

Because all the Jackson's family possessions were completely destroyed, clothing, furniture, and bedding are certain to be items needed by the Willis Jackson family. Anyone wishing to donate such items or offer whatever assistance they can, may call Mrs. Curtis -- 642-6886.
