

Delta Sorors Endorse Helen Anderson

The Delta Sigma Theta Las Vegas Alumnae Chapter, this week, announced its endorsement of Soror Helen Anderson, principal of Kit Carson elementary school, for the Assembly District #4.

Mrs. Lajuana Bailey, spokesman for the group, stated the group felt that Helen was eminently qualified for the legislature and that she has consistently her deep concern for the children of West Las Vegas and the community as a whole. Mrs. Bailey added that with Mrs. Anderson as a member of the Clark County democratic legislative body in Carson City, the community would be confident of meaningful representation.

Members of Delta Sigma Theta Chapter, Sorors Gwendolyn Booker, Barbara Curtis, Grace McGlothen, Joanne Pughsley, Eva Simmons, Bobbie Smith, Dorothy Taylor, Shirley Williams, and Margaret York are presently planning several campaign "get-togethers" to be announced in the near future.

A Firm Grip On Legionnaire Regional Victory

NO SINGLE TRACK MIND has Roy Woofter (left) whose busy campaign in Clark County's JP race does not disengage him from his even busier activities as head of the American Legion's State Baseball Program. With Duke Durden, right, umpire and chief of the state tournament, last week-end, his hopes are strong for a Las Vegas win in the regional tournament hosted by the Roswell, New Mexico Legion Post this week. Teams entered are from Nevada, California, Utah, New Mexico, Arizona, and Colorado.

The Veterans Administration is an equal opportunity employer, with nearly one-third of its employees being members of minority groups.

In 1967, a Veterans Administration doctor determined that LSD is "no cure for alcoholism."

A Veterans Administration doctor pioneered in long term use of the artificial kidney.
