record of promises fulfilled" and should be re-elected.

Next vibrant and invigorating speaker was ATTORNEY JUDGE ROBERT REID who introduced himself as follows: "I am Robert Reid, Attorney and Judge. I was appointed by Mayor Oran Gragson. I am running for District Judge, Department 3." Judge Reid has been continuously concerned for the cause and destiny of our youth. "Respect for law and order must be taught to our youth and reaffirmed in the minds and hearts of man, because the youth of our Nation represent our most valuable asset. Hence, it is vital that we learn to communicate with them." This we feel is very good timing for not only the youth of America but the youth of the world is rebelling. Today, Reid says that "The Courts MUST assume a more active role in resolving the divergent attitudes of youth in conflict with an adult society.

Of his opponent, when challenged by Reid, replied: "I am the Judge. My staff takes care of that. I HAVE NO TIME FOR CHILDREN." These lackadaisical remarks angered Judge Reid who is so very concerned about ALL youth, especially those confined in Juvenile and other DETENTION CAMPS. The solemn reaction from the audience was that of "for shame, for shame, REID MUST WIN!"

It might be well to mention here that North Las Vegas Mayor Taylor told the writer that "Senator Bible went to eleven places to speak today and in Reid's absence, he plugged him well." Mayor Taylor also said, "I know Bob Reid and I think he'd make a fine Judge."

Next candidate on the agenda was "BOB BRADLEY", Justice of the Peace, North Las Vegas Township. Mr. Bradley whom we met is a fine person, who has been a North Las Vegas property owner since 1961. He has been active in Community affairs as President N.L.V. Optimist Club, Past Commander American Legion Post 51, N.L.V., Charter Member N.L.V. Elks Lodge 2353, member So. Nev. Amateur Radio Club, member Founders Board Boys Clubs of Clark County, U.S. Air Force Veteran, and N.L.V. businessman the past 7 years. He also served as Military Police in Germany and has a lovely wife Ruth and four

ED YOUNG, candidate for Hospital Board of Trustees is one of the Founding Members of the Hospital Advisory Committee, member Clark County District Board of Health, Chairman Legislative Committee, member of the Budget Committee, past President of Nevada TB & Health Association, former member, State Housing Commission and former PTA President. He is a prominent business consultant and public accountant, and has compiled a long and outstanding record of public service in our community. His many years of public

service devoted to the HEALTH and WELFARE of our community plus his extensive experience in business management and in accounting, certainly qualifies him as a most worthy and needed candidate.
