

(BILL LANE, from page 10)

movie bit "like the athletes are doing." He's now studying several movie scripts from a bundle of them that have been dumped into his lap during his stay at the Greek Theatre here--where the place was sold out weeks before he arrived.

At the Greek he's being followed by The 5th Dimension, and the Alvin Ailey Dancers. And viewers of the 5th these days have something new of interest, now that wedding bells are ringing for Billy Davis and Marilyn McCoo of the famous performers. And the lovely Florence LaRue, the other girl in the group, became something extra special when it was announced that she and the group's manager, Marc Gordon, would be wed in a balloon hovering 100 feet over the Century Plaza hotel here, with Jim Webb, composer of "Up, Up And Away," at the controls.

And Dick Clark, of "American Bandstand," has set a giant budget to film the life story of James Brown, the mighty mite of song, pride and finances who uncorks his newest road show this Saturday night at the huge Forum here with Bill Medley, Marva Whitney and Clay Tyson. News has it that Brown's life-story film might be titled, "I Am a Man." Why not "James Brown: The Living Legend?????"

NEIGHBORHOOD COUNCIL NEWS

The need of individuals in the Councils varies but, there is always a definite need. \$2.00 for a Health Card may be the deciding factor in obtaining employment for a teenager. An A.D.C. mother may need additional food to supplement the meager amount she receives. Always there is a need.

Your Serviceworkers have at their disposal some services to offer but many immediate things could be accomplished if there was an emergency fund. Matt Kelly recognized this need and is proceeding with a Barbecue this Saturday, July 19th. Price is \$1.25. Call us at 649-4262, ext. 65 and order yours. Proceeds will go to benefit those in the poverty area. Won't you become part and either donate your services or supplies. The persons we help could be your best friends...One never knows...Support your council in whatever way you can.

Kit Carson will be meeting at 7:30 p.m. this Thursday, July 17, 1969, at the School. May we expect you?
