

Bishops of three Christian communions assemble for this photograph at the All African Conference of Churches Assembly in Abidjan, Ivory Coast. They represent the United Methodist African and Roman Catholic Churches. One observer wrote, differences do not matter; what did matter was true brotherhood of man. Far left is Abel T. Muzorewa, Episcopal leader of Rhodesia Area of the United Methodist Church.

### St. Christopher's renews men's club

St. Christopher's Men's Club was re-activated last week with the election of Frank Travers, chairman; Floyd Thornton, vice chairman; Delbert Gibbs, secretary; Al Arendt, treasurer; Harold Ortega, public relations director; and Father J.M. LaPante, chaplain.

Topics discussed were coordinating youth activities, welfare, and general maintenance of church grounds.

The next scheduled meeting is November 5. All men from St. Christopher's Parish are urged to attend the meeting in the Parish Hall.

### Singer Featured Nov. 11

The powerful voice of the world's greatest gospel singer will be heard in the Amphitheater at Arlington National Cemetery on Veterans Day, November 11, when Miss Mahalia Jackson sings the National Anthem.

Donald E. Johnson, Administrator of Veterans Affairs and chairman of the President's Veterans Day National Committee, has announced that Miss Jackson has volunteered her services for the Veterans Day observance. She will fly to Washington from Los Angeles for the occasion.

Johnson said that Miss Jackson has also been asked to sing another appropriate song of her own choosing. It is believed to be the first time in the history of Veterans Day observances at Arlington Cemetery that a soloist has performed, he said.

Your professional beautician knows the answer...

### Why does some hair break off when combing?

Your hair is precious and delicate... and none of us like to see it break off for any reason. Scientists tell us that excessive use of hot combs and over-processing of hair with chemicals often are major causes of brittleness resulting in hair breakage. But hair that is naturally curly and tangles easily frequently breaks off in everyday combing. Notice how irritated your scalp becomes when you comb in contrast to the way your beautician does?

Your professional beautician knows that curly hair mats and tangles so easily that it should be softened before combing. Otherwise, unnecessary irritation to the scalp and damage to the shaft and ends of the hair occurs. To achieve this needed softening and a temporary relaxing effect that prevents breakage on all human hair (including wigs), most beauticians rely on Clairol® Hair-So-New® spray-on creme rinse. For combing ease and for beautifying your hair in many other ways, trained beauticians stock a complete family of fine Clairol products for your specific needs.

Visit your expert hairdresser, who cares about your hair care and your comfort. Whatever the nature of your hair problems, only your professional beautician knows the answer for sure.
