

From The Pen OF Dotti Allen

A charmin' friend (and would you believe so paper shy he didn't want his name mentioned), celebrated his birthday in a big way. D-- and his guests started the birthday celebration Friday afternoon and might I mention (he had quite a head start on everyone else) and continued on 'til Sunday nite house-to-house and everyone really rolled out the red carpet. After that one, it'll be next year before poor D-- re-coops to start all over again.

Just had to be Dior creations...SHIELA YOUNG displayed her fabulous collection of designer fashions and jewelry. DOTTI just can't find words to describe the Oh, so beautiful fabrics used to make up this lovely wardrobe. Lucky SHIELA spent an excitin' 30 days touring Europe and spendin' hubby GEORGE'S hard-earned cash. And says she'd like to return this summer to finish up her shoppin' spree. Poor GEORGE.

Mrs. BERTIE BRONSON dropped in quite unexpectedly to surprise son BOBBIE and daughter-in-law JANIE. It was really a surprise cuz BOBBIE BRONSON sez he hasn't seen Mom in 3 years and it's not too often she makes the 2,000-mile trip from Chicago (the warm city? ?).

Your professional beautician knows the answer...

Can your hair be damaged from brushing, alone?

All hair becomes damaged from exposure to sun and natural elements. Certain greasy compounds and many chemicals, improperly used, also take their toll... not to mention simple attempts at beautifying the hair with any brush not made of natural bristles. The results are brittleness, breakage, dry and dull looking hair.

Your professional beautician knows how artificial bristles actually brush away a great deal of the "lubricants" of the hair that give it body, lustre and protection. And trained beauticians claim that nothing beats Clairol's **condition** Beauty Pack Treatment for overcoming brittleness, dryness and breakage... leaving hair lively and easy to manage. **condition** is an easy-to-work-with creme which can even be applied during a chemical straightening retouch to prevent drying of hair that has been previously relaxed. **condition** is the ultimate in repairing deep-down damage. And, when time is a factor for their customers, hairdressers turn to new Clairol's Hair Dew—the lotion conditioner that penetrates so fast many think of it as an instant conditioner. When applied regularly by your beautician, Clairol Hair Dew, adds body, softens and gives a glowing new look to your hair that many friends will notice and admire.

Damage can come from using brushes with artificial bristles. But damage to every woman's hair comes from so many other causes that all human hair (including wigs) needs to be revitalized periodically. Visit your professional beautician and ask this expert to check the condition of your hair.

Only your professional beautician knows the answer for sure.

League Of Women Voters

Presenting an introductory look at state-supported services for juveniles, League of Women Voters of Las Vegas Valley culminated the first phase of their study on Nevada juvenile services during the week of February 24th during a series of monthly unit meetings.

Tuesday, Wednesday and Thursday morning unit meetings were held at 9:30 am at 3671 Rosecrest Circle, 555 East Griffith and 301 Eldorado. Tuesday and Wednesday evening unit meetings were held at 7:30 p.m. at 323 Yosemite and 4650 Bridlewood Court.

Researching the facts and interviewing officials of health, welfare and rehabilitation service agencies took the ladies approximately one year under the chairmanship of Mrs. Hal Kearns, local juvenile services chairman.

Juvenile services is an item adopted for study by League of Women Voters of Nevada and will not only be presented to the local League but the Reno-Carson City League will also be conducting a series of similar introductory meetings.

Beginning in April 1970 specific areas of service described in the primary phase of study will be chosen for additional study and evaluation, out of which will come recommendations to the 1970 Nevada legislature.

League ladies will be making choices for direction of study from the categories of education, health, juvenile delinquency, mental health, rehabilitation and welfare. Sub-categories will include services for mentally and physically handicapped, preventative health services, correctional institutions, laws relating to drugs and their application to juveniles, alcoholism, day-care centers, hunger and others.

The League of Women Voters, in its 50th anniversary year of non-partisan service to voters, continues its program of concerted study and action on selected governmental issues.

Assisting Mrs. Kearns on her local committee were Mames Faye Cooper, Mildred Jacobs, Dorothy Matthews, Annette Mills, Hannah Reznick, Colleen Schroeder, Mary Ann Smith, Beth Tharel, Emilie Wanderer and Betty Weber.

Copies of Juvenile Services in Nevada, prepared by the committee may be obtained from the League office, 953 East Sahara, at 25¢ per copy or 5 copies for \$1.00.
