

# AUDREY'S IMPRESSIONS

by Audrey Taylor

Dear Sis,  
O.C. SMITH began his engagement Friday June 12, at CAESARS PALACE. . . Now hon, you know I was present. There was a very big crowd for the 2:40 a.m. performance. It's difficult for me to believe that anyone ever sleeps in VEGAS trying to keep up with everything that is going on. . .

Anyway, O.C. was worth staying up for. The "soulful" Mr. SMITH after singing some of his record hits and other popular tunes of the day, aroused such emotions in his audience that they stood up to applaud him. His musical aggregation whom he introduced three times, are excellent. . .

GAYLORD & HOLLIDAY, comedy duo also appearing in NERO's NOOK are well worth staying to see. Their comedy is topical and very, very amusing. . .

\*\*\*\*\*  
Those that like Country and Western, GEORGE HAMILTON IV, has the number three song in the Nations Top 10, entitled "She's a Little Bit Country". . . By the way, he is making his Night Club debut Monday June 15, at the INTERNATIONAL Hotel-Casino. Guess what Sis, his act was staged by SAMMY DAVIS JR. . . Sharing the bill is the exciting LOLA FALANA and The Claude THOMPSON DANCERS. . . CLAUDE is a fairly new name on the scene but if you will take my word for it, and see him in this show, you won't regret it, he is Brilliant to say the least. . .

\*\*\*\*\*  
The picture "COTTON COMES TO HARLEM" that I have mentioned several times in this column opened in NEW YORK and received three stars.

\*\*\*\*\*  
I heard from a girlfriend that Nurses have something new in styles in LOS ANGELES. No longer crisp white dresses. The Administrators have given approval to pants suit uniforms, however, the new outfit, with flared pants and tunic will remain white.

\*\*\*\*\*  
Also on fashion, the National Association of Hosiery Manufacturers says it has just completed a 14 month scientific study to help make pantyhose fit correctly. Pantyhose will now correspond not only to height but also weight. . . Very good.

\*\*\*\*\*  
A 13 year old girl in Salem, OREGON, backed by ANTI-Discrimination laws has won the right to her own paper route. The agreement was prepared by the CIVIL RIGHTS Section of the State bureau of Labor.

\*\*\*\*\*  
Tell everyone sis, to "check out" the CHECK-MATES at the INTERNATIONAL. They are still terrific even tho only two of the original members are with them. . .

\*\*\*\*\*  
"Little" EDDIE TAYLOR is appearing at the COLONY CLUB. Don't forget to stop by and see him. . .

\*\*\*\*\*  
Remember sis, A woman in love consist of a little sighing, a little crying, a little dying and a good deal of lying. . .  
Catch you next week. PEACE.

Love,  
Audrey

## Receives National Appointment

Pictured above is charming and most personable Mrs. Helen Anderson--an outstanding member of the Las Vegas Alumnae Chapter of Delta Sigma Theta Sorority who was recently appointed to serve on a National Committee by Deltas's National President, Attorney Frankie Freeman during their 28th Farwest Regional Conference which will be hosted by the local chapter at the Thunderbird Hotel from June 25 to June 28, 1970.

Soror Anderson is certainly symbolic of what Delta Sigma Theta Sorority stands for due to her dedication of service to the community and to humanity as a whole. She was initiated in Alpha Nu Chapter in 1945 and has been a Speech Therapist for fifteen years.

She is now principal of Kit Carson Elementary School and is Clark County School District's first female Black principal. Because of her long and untiring history of community work she received the NAACP's Annual Award as "Woman of the Year" 1966.

Her husband James Anderson is very active in Civil Rights Affairs and her only son Robert is a Senior Political Science Major at Bishop College in Dallas, Texas.

Her local sorors are quite proud of her many accomplishments and know that she will serve them well on the appointed committee on Delta Properties during the conference.

Soror Anderson wishes to invite and involve the entire community in our Social Action Luncheon which will be held at Doolittle Recreation Center on Saturday June 27th at 12:00 p.m. Our National President Attorney Frankie Freeman will speak on "Black Goals for the 70's at 1:30 p.m. Other prominent women from various areas of the west Coast will be present to share of their experiences during the discussion period.

Tickets for the luncheon are only \$1.50 and reservations can be made by phoning Helen Anderson at 648-8011 or Bobbie Troutman at 649-4644. Other Delta members will also be making contacts for luncheon reservations.
