THOUGHT FOR THE DAY

Promise of Victory over Temptation

If Satan, the enemy of your Soul, cannot bring you to doubt your salvation, he will often concentrate on some area of weakness in your life. Perhaps you are aware of some failure which has been a constant drag and a burden on you. It is important to remember that you cannot live victoriously in your own strength. The Apostle Paul has given us the secret of Christians living in Galatians 2:30. "I am crucified with Christ nevertheless I live. Yet not I, but Christ liveth in me; and the life which I now live in the flesh I live by faith of the Son of God, who loved me, and gave himself for me." Learn to take your eyes off your own weakness and put your trust in Jesus Christ who is able to help you.

Next time you are bothered by temptation, follow the example of Christ and answer, "It is written there hath no temptation taken you but such as in common to man but God is faithful, who will not suffer you to be tempted above that ye are able: but will with the temptation also make a way to escape, that you may be able to bear it. 1 Cor. 10:13.

thing they chose to school. Specifically mentioned were hats, which some male students want to wear indoors, sandals for boys, and colored, sleeveless undershirts.

One group of students complained of a student council with no real power except what the school principal wanted them to have. They urged student government with power of its own outside and administrative guidelines.

McRobert and McMorris urged students with complaints to discuss them with their principal, saying that many problems brought up might exist in some schools, but not all.

They also told the students that they were proposing smoking lounges for students in all high schools. Under their plan, students would be allowed to smoke in the lounge only if their parents signed permission slips for them. They hope such lounges will end smoking in restrooms and other areas of the campus.

The Youth Rap was open to the more than 70,000 students of the Clark County School District. While attendance was poor, both said they felt the session was good and that many good points for further study were raised.

who would be attuned to the needs of the community. The decision of the board to disenfranchise the voters in Clark County was typical of past board actions and surprised no one," charged Pesner.

The writ of prohibition seeks to prohibit and restrain John F. Anderson from sitting as a member of the Board of Trustees of the Clark County School District and to prohibit Burnell Larson from further appointing any person to the Board to fill the vacancy created by the resignation of George Wilkinson.

The quo warranto action will determine the right of Anderson to sit as a member of the Board of Trustees of the Clark County School District.

The action was filed in the name of "Tex" King, the ranking senior member, and all other members of the union.

Pesner expressed gratitude for editorial support by all newspapers in the community, and noted that telegrams and phone calls are pouring in to the office in support of the union's position.

The writ of prohibition and quo warranto actions were filed by Robert L. Reid, attorney for the teachers union.

Sis. L. Dilligard.

Beauty experts will tell you—the perfect hair color for you may be just a shade away from your natural shade. It depends on your complexion, your eyes and the way you use make-up.

Hairdressers know that dark or thick or coarse hair is resistant to drastic color change. But, even a very slightly lighter shade adds excitement to a woman's appearance. And the professional hairdressers also know there's no more natural way to change hair color than Miss Clairol® haircoloring.

Miss Clairol lightens and adds color at the same time (and also covers gray). This means the resulting color is a combination of your own hair and the color you choose.
