

# HEARING SET FOR BOB BAILEY AUG. 24

Bob Bailey has been ordered to appear in Justice Court August 24th for a preliminary hearing on three counts of assault with a deadly weapon.

Your editor has been criticized for not trying this case in the paper. Your editor has been trying to call to the public's attention those things that are needed to improve our community.

The editor will not usurp the role of the courts. When all the facts have been presented to the court and the court rules on the matter we will publish the facts based on the official records of the trial and the relevant testimony of that hearing.

The VOICE will not try this trial or any trial in its columns. We are in the fight for equality and justice for all of our people.

However, the VOICE has from time to time stated that there are forces at work that would destroy us unless we work towards the goals of better housing, schools, employment opportunity and a cleaner more wholesome community.

So let us spend our time and thoughts working for a better Las Vegas, Clark County, and the State of Nevada.

If a brother stumbles, stoop down and help him up.
