## THOUGHT FOR THE DAY

### Life In God's Service:

So then, my brothers, because of God's many mercies to us, I make this appeal to you; offer yourselves as a living sacrifice to God. Dedicated to his service and pleasing to him. This is the true worship that you should offer. Do not conform outwardly to the standards of this world. But let God transform you inwardly by a complete change of your mind. Then you will be able to know the will of God--what is good, and is pleasing to him, and is perfect. For because of God's gracious gift to us, I'll say to all of you: Do not think of yourselves more highly than you should. Instead be modest in your thinking and each one of you judge himself according to the amount of faith that God has given him. We have many parts in the one body, and all these parts have different functions in the same way. Though we are many, we are one body in union with Christ, and we are all joined to each other as different parts on one body. So we are to use our different gifts in accordance with the grace that God has given us. Some have the gifts to preach, others, teach; some to encourage others to receive Christ as their savior, but whatever we must do, do it according to the faith that we have.
