### THOUGHT FOR THE DAY TODAY IS YOURS

There are many fine things which you mean to do some day. Under what you think will be more favorable circumstances. But the only time that is surely yours is the present. Hence this is the time to speak the word of appreciation and sympathy, to do the generous deed, to forgive the fault of a thoughtless friend. To sacrifice self a little more for others. Today is the day in which to express your noblest qualities of mind and heart, to do at least one worthy thing which you have long postponed, and to use your Godgiven abilities for the enrichment of some less fortunate traveler. Today you can make your life significant and worthwhile, the present is yours to do with as you will.

### Social Security

Suppose you get hurt, or sick, and won't be able to work for a year or more. Your social security can start paying off after six months, with a check every month until you can work again. If you think social security helps when you retire, you're right. But it's also something you can depend on now.

Whenever you need information, contact any social security office.

## A New Love For Candy

A NEW LOVE FOR CANDY--a gay and sparkling film for the whole family will be shown at First Baptist Church, N. L. V. on Wednesday, November 18, 1970, at 7:30 p.m.

Viewers of A NEW LOVE FOR CANDY will span the world of emotion through the eyes of a child and the depths of separation through the lives of adults for it is a revealing picture of a near-broken home that hits hard at the heart of one of our society's biggest problems.

Filed amid the excitement of a State Fair, this delightful new motion picture dramatically presents the faith of a little child as the framework for rebuilding divided families.

A NEW LOVE FOR CANDY is the latest release from Gospel Films of Muskegon, Michigan, the producers of THE FONTANE STORY and the award winning musical, WORLDS APART.

Billy Zeoli, the President of Gospel Films, in releasing the film for public use, said, "We are greatly disturbed by the breakdown in the American home and the resulting bewilderment in the loves of children. This film will be loved by children and appreciated by adults for its straightforward message."

Gospel Films, Inc. now in its 17th year, distributes films in 30 languages in 121 countries.
