### What's keeping you from looking good? Damaged hair?

Over-processing isn't the only cause of damaged hair. All hair can be hurt by exposure to sun and extreme weather. Or by improper use of harsh chemicals or greasy compounds...or even just brushing your hair without a natural bristle brush.

The beauty experts know how important natural "lubricants" are to your hair—they give it body, lustre and protection. Artificial bristles actually brush away the lubricants...the sun burns them away...chemicals dry them away. And before you know it, you have damaged hair—split ends, brittle, breaking, dry or dull, limp hair.

Now you can bring your hair back to beautiful. Trained beauticians know **Clairol condition**—The Beauty Prescription for Troubled Hair. It softens split ends. It makes dry, dull and limp hair silky, shining and stronger. Takes just two minutes (for Instant Lotion) or a few more minutes (for the Beauty Pack).

If you're concerned about the shape your hair's in, go to the expert, your professional hairdresser, to check it. You'll end up with a beautiful head of hair. And keep on looking good!

LET JOE W. SPALDING BE THE MAN YOU LEAN ON IN A LONELY HOUR

What makes it lonely is not just the suddenness, the sense of loss, the grief. It is also the bewilderment, the strangeness, the wondering what to do.

Your own need then...at once...is someone to lean on. Someone who can replace confusion with calm, doubts with certainty, questions with answers. Your own need then...is someone who knows what to do...and goes about doing it quietly, gently, sympathetically, with efficiency and dignity.

This is what I have been trained by education, apprenticeship and experience to be...and to do. This is my mission. To be an island of calm. To counsel. To help. To reassure.

My experience and understanding make it easy for you to make the decisions you alone must make about the type of service, where it will be held. Putting at your disposal the facilities of the funeral home and taking care of an almost unbelievable multitude of necessary details.

But beyond all the necessary physical things doing what the family invariably remembers and treasures most is that here, in their lonely hour, was a man they could lean on, depend on.
