

Labor Endorses The Firefighters Boot Drive

Left to right - Gary Worcester, Enoch Henry, Dale Dulaney, and Gary Owens.

The Firefighters Boot Drive for Muscular Dystrophy, scheduled to take place locally on November 27th and 28th from 2:00 p.m. to 5:00 p.m., has been strongly endorsed by AFL-CIO President George Meany. This announcement was made here today by Charles J. Perri, the Clark County Muscular Dystrophy Chapter President.

In a letter to Jerry Lewis, Muscular Dystrophy Association National Chairman, Mr. Meany wrote that he is urging all AFL-CIO affiliates and their members to cooperate with us in making the Firefighters Boot Drive a success.

Mr. Meany, a Corporate Member of Muscular Dystrophy Associations since 1967, is one of many labor leaders who have become actively involved in the work of the Associations.

The money raised during the Annual Boot Drive is seriously needed to advance Muscular Dystrophy Association of America, Inc.'s international research programs as well as to support our nationwide program of services to patients, Charles J. Perri continued. Both programs are very costly. Mr. Meany also noted in his letter that while significant progress is being made in research, it will take much more time and money to discover in man.

When you see the Firefighters on the intersections of our community, I hope that everyone will give generously to the Firefighters Boot Drive to defeat the dreaded disease MUSCULAR DYSTROPHY.

So please don't forget the dates: NOVEMBER 27TH AND 28TH!
