THOUGHT FOR THE DAY

The Heavens declare the Glory of God--You ask me how I know it's true, that there is a living God--A God who rules the universe, the sky, the sea, the soil. A God who holds all creatures in the hallow of his hand. A God who put infinity in one tiny grain of sand. A God who makes the seasons; Winter, Summer, Fall and Spring, and put his flawless rhythm into each created thing. A God who hangs the sun out slowly with the break of day and gently takes the stars in and put the night away. A God whose mighty handiwork defies the skill of man; for no architect can alter God's perfect Master Plan. What better answers are there, to prove his Holy Being than the wonders all around us, that are ours just for the seeing. You ask me how I know it's true, God said, I believe and that settles it.
