Tea Party For

New & Expectant Mothers

There will be a tea held on Dec. 10, 2:00 p.m., at 1024 Bonita Avenue for new and expectant mothers.

The tea, given by Childbirth Education Association of Clark County, will be the first in a series of teas which will be sponsored by the association, each being on the first Thursday of every month.

Mrs. Lorraine Presco, certified Childbirth Education Teacher A. I. F. R. will speak at the tea on the "Importance of Preparation for childbirth." According to Mrs. Mary Truex, president of the Association, "There exists in our great need for education on childbirth and child rearing for parents as well as expectant parents."

The activities are there intended to meet this need.

The organization is a non-profit, non-sectarian, non-discriminatory association composed of men and women who are interested in promoting prepared childbirth, (not natural childbirth), family centered maternity care, and better parent-child relationships. The purpose of the Association is to serve in an educational capacity, not to dispense medical advice. In addition to the teas, the group also presents movies, lectures, and discussions on child development and the emotional, physical, and psychological aspects of parenthood.

All activities are free and open to the public. For further information phone 734-9697 or 735-2397.

What's keeping you from looking good?
 Wrong hair color?

Beauty experts will tell you—the perfect hair color for you may be just a shade away from your natural shade. It depends on your complexion, your eyes and the way you use make-up.

Hairdressers know that dark or thick or coarse hair is resistant to drastic color change. But, even a very slightly lighter shade adds excitement to a woman's appearance. And the professional hairdressers also know there's no more natural way to change hair color than Miss Clairol® haircoloring.

Miss Clairol lightens and adds color at the same time (and also covers gray). This means the resulting color is a combination of your own hair and the color you choose. Generally, dark exotic browns and blacks are most flattering on darker skin tones...and golden or red shades are more beautiful on lighter tan complexions.

If you're thinking of changing your hair color, go to the experts. Professionally trained hairdressers have the whole family of fine Clairol products and the know-how to make your experience with haircoloring an exciting adventure. So whether you go brown, gold, redhead or deep black, just keep on looking good!

 BE
THE MAN YOU LEAN ON IN A LONELY HOUR

What makes it lonely is not just the suddenness, the sense of loss, the grief. It is also the bewilderment, the strangeness, the wondering what to do.

Your own need then...at once...is someone to lean on. Someone who can replace confusion with calm, doubts with certainty, questions with answers. Your own need then...is someone who knows what to do...and goes about doing it quietly, gently, sympathetically, with efficiency and dignity.

This is what I have been trained by education, apprenticeship and experience to be...and to do. This is my mission. To be an island of calm. To counsel. To help. To reassure.

My experience and understanding make it easy for you to make the decisions you alone must make about the type of service, where it will be held. Putting at your disposal the facilities of the funeral home and taking care of an almost unbelievable multitude of necessary details.

But beyond all the necessary physical things doing what the family invariably remembers and treasures most is that here, in their lonely hour, was a man they could lean on, depend on.
