THOUGHT FOR TODAY

I LIVE FULLY TODAY

Now is the accepted time; behold now is the day of salvation. I Corinthians 6:2. The wisest man who ever lived said there is a truth which can set you free from fear. Want, unhappiness, and finally death itself. He said that this truth is already within you. Suppose you accept this spiritual wisdom, since the one who gave it was able to prove his claims. Don't you think that this great and glorious person was telling you that the kingdom of your God is here today? Now this means that evil, no matter what face it wears, or what form it takes, or how many people believe it is never a thing in itself. Jesus, did not say that evil has no reality as an experience. He did say that you should not judge according to appearance. He said that you are to live as though the kingdom were already yours, no matter what the negatives of yesterday may have been, your affirmations of today may rise triumphant over them. Cease weeping over the mistakes of yesterday and steadfastly beholding the face of the great Divine Reality, walk in that light wherein there is no darkness.

Your professional hairdresser
knows the answer...
Is braiding your "natural"
the only way to make it
look better?

Do you have to braid your hair every night or everytime you wash it? Going through this process makes it easier to comb, keeps down split ends and helps give your 'fro more body. However, it sometimes takes several days of braiding to achieve these results.

The best and quickest way to keep a nice shaped 'natural' is to go to your professional hairdresser for the Kindness System from Clairol. It's the new way of styling and making a flimsy 'fro a fuller 'fro. The Kindness® Instant Hairsetter & Kindness® Heat-Activated conditioner are the instant problem solvers for tangles, breakage and damaged ends. It's great for all kinds of hair styles and wigs too!

After washing and towel drying your hair, the professional hairdresser applies the Kindness Heat-Activated Conditioner. It's formulated to give hair deep-down body and a healthy glow. Then, the Kindness Instant Hairsetter, with its warm-hearted rollers, is used to help penetrate the conditioner gently into your hair. This gives your hair more beauty and hold power for a style that lasts and lasts. Then, of course, the expert does the styling.

Why not talk to your hairdresser about using the Kindness System. From wash to set... including shaping... it takes less than an hour. Your professional hairdresser knows that the Kindness System is far better than tiresome braiding.
