VETERAN INFORMATION

Q -- I am a Vietnam serviceman hospitalized pending discharge. I recently applied for vocational rehabilitation, and understand I will be rated for service-connected disabilities by the VA before I am discharged. Will this rating set the one year period that I will have to apply for service disabled veterans' insurance?

A -- No. The one year allowed for applying for service-disabled veterans insurance begins with the date of the first notice of disability rating sent to you by VA after discharge.

Q -- Are there any income and credit requirements a veteran must meet in obtaining a VA loan for a mobile home?

A -- No, there is no set income requirement. The terms of repayment of the loan, however, must bear a proper relationship to the veteran's or serviceman's present and anticipated income and expenses, and he must be a satisfactory credit risk.

Q -- May a veteran who is receiving compensation from the VA arrange to pay a policy loan on his National Service Life Insurance out of this monthly benefit?

A -- Yes. It is a most convenient and relatively painless way to accomplish this repayment. VA Form 29-888, Insurance Deduction Authorization, available from any VA office, should be completed and sent to the office which has your insurance records.
