## VETERANS

Questions and Answers

Q--I know a veteran who served on active duty during WWI and WWII. Will a burial allowance of \$250 be paid for each period of service?

A--No. A single payment, not to exceed \$250 is payable toward the veteran's burial expenses.

Q--A friend gets maximum disability compensation from the VA because of war injuries. He works for the state at a good salary, and sells insurance at night. A fellow employee has challenged his entitlement to disability payments. Is he entitled to them?

A--Yes, if he is receiving compensation for a service-connected disability. Outside income has no bearing whatever on this type of compensation. The law does not penalize a veteran who through special effort overcomes his handicap. The fellow employee must have confused compensation with pension --the latter being based on permanent and total disability, but not service-connected. Pension --not compensation--is affected by outside income.
