

# NAACP Takes Community Boys To Disneyland

On Saturday, December 18, 1971, the first day of Christmas vacation, 27 community boys were given an all expense trip to Disneyland. Most of the boys who went on the trip had worked in the NAACP's Operation Improve last summer, cleaning up trash and debris from the Golden

West Shopping Center. Many of these boys had not been to Disneyland before.

The sponsor of the trip was KORK-TV 3. Pictured below are the boys and chaperones who went to Disneyland.

## Your Weekly Astro Forecast

By D. MODIN

LOCATE YOUR BIRTHDAY IN THE SECTIONS BELOW, AND SEE YOUR PERSONAL OUTLOOK ACCORDING TO THE STARS.

FOR WEEK AHEAD JAN. 3, 1972

(ARIES 1) . . . Your key word Aries is, "RECKLESSNESS" . . . You start new year off with urge to conquer life, Aries. Vitality's up to most anything you desire but reckless, aggressiveness should be curbed. Outside influences force your plans if you get rattled. Partners inclined toward temperamental attitudes, add to confusion unless you compromise. Don't start fights but prepare for battle through legal channels if needed.

(TAURUS 2) . . . Your key word Taurus is, "HEALTH" . . . Health of self or those around you, may be one of "New Years' Resolutions." Recent improvement encourages balanced dietary trend. Sharp attacks may force someone near you to take medical steps, postponed. Encourage common sense attitudes, routine checkups for all. Something in background has to get worse, before it gets better. Get things out in open Taurus.

(GEMINI 3) . . . Your key word Gemini is, "SCHEDULES" . . . Make easier schedules for yourself, your "New Years' Resolution," in 1972, Gemini. Caution in worry, needless rushing around, meeting deadlines, indicated to preserve mind and body. You lack ability to conserve energy. Keep ahead of the game, don't burn candle at both ends. When you're tired you're depressed. Recognize symptoms realistically. Happiness means contented.

(CANCER 4) . . . Your key word Cancer is, "CONTENTMENT" . . . Promise yourself more contentment within immediate family circle. Make this your New Years' Resolution, Cancer. Emotional contentment, necessary to keep health from up and down motion. You had exposure to handling emotions last year, learn trick of "detachment" in stress. Search for emotional reasons for problems in self or others. Solved through objectivity now.

(LEO 5) . . . Your key word Leo is, "SPIRIT" . . . You have everything going for you as new year opens Leo, except ability to not go to extremes in everything you do. You don't lack spirit, confidence or enthusiasm but avoid those who drain vitality this year. You need to be with your own kind, don't be martyr to leasers. Your main pitfall is in being "needed," feeling "important" and susceptible to flattery. Get it?

(VIRGO 6) . . . Your key word Virgo is, "DIET" . . . Plan well rounded diet, sensible eating habits, more relaxation as your New Years' Resolution, Virgo. You "are what you eat," more than most signs! Secret of financial success this year, lies in being able to enjoy life, moderate worry, learn to relax in stride with trends. Much of your fussy eating habits, stems from poor atmosphere on being tense. Eat when relaxed.

(LIBRA 7) . . . Your key word Libra is, "DEPENDENCY" . . . Latent dependency needs have to go in 1972. Last year conditioned you to accepting your own individualism, Libra. When you didn't, (continuing to try to blend and get along by giving ground with others), it backfired. You had temperamental reactions, difficulty in asserting yourself in mature fashion. Make New Years' Resolution, to be your balanced self.

(SCORPIO 8) . . . Your key word Scorpio is, "PRIVACY" . . . Make your privacy, New Year's Resolution. Vast creative potentials lie dormant, you can't repress emotions, Scorpio too long. Release these magnificent possibilities, in seclusion demand your right to own thoughts. You combine spiritual strength with material blessings. Seek lofty aims, increase magnetic charm through positive, arduous contemplation of your desires.

(SAGITTARIUS 9) . . . Your key word Sagittarius is, "OPTIMISM" . . . You're scheduled for big things this year, seek those who operate on high principles of lofty aims, positive thinking and avoid neototics, chronic complainers. Make "Optimism" your New Year's Resolution. Date to be yourself, results will eventually prove you right, Sagittarius. Second chances, old opportunities, sexual attractiveness, powerful backers, scheduled in 1972.

(CAPRICORN 10) . . . Your key word Capricorn is, "FORESIGHT" . . . You have patience to see slow, but sure improvement in all phases this year, Capricorn, Spread wisdom, in face of pessimistic outlook. Make "foresight" your New Years' Resolution. You have knack of pointing out how similar trends were corrected over the ages. Use memory for ancient history. The past points hope for the future. You're one of the few with this insight.

(AQUARIUS 11) . . . Your key word Aquarius is, "RESTRICTIONS" . . . Seek freedom from "self inflicted" restrictions for those around you in 1972, Aquarius. You understand such values, better than most. Your opinion stands on merit of accomplishment in past year. Your greatest media of self expression, comes through communication and long range plans. Make "restrictions" work for your friends as blessings in disguise when needed.

(PISCES 12) . . . Your key word Pisces is, "CONFRONTATIONS" . . . Make pulling back from "confrontations," your way of life and New Years' Resolution. Inharmony is your greatest, personal obstacle. Since you can't tangle with it daily, learn to avoid it, Pisces. You're not an . . . "escapist," it's simply keeping peace where possible, your way. You're far better "peacemaker" than fighter. To each his own in the New Year 1972.
