

INTEGRATION PANEL DISCUSSION

(L-R) Southern Nevada Human Relations Commissioner Jack Daily, who is also Principal of William E. Ferron Elementary School; Kate Butler, League of Women Voters; Kathy Summers, Gorman High Teacher; and Pamela Guy a Senior at Gorman, participate in a question and answer session after the panel discussion on current problems of integration.

The school project was arranged by Pamela to examine some of the more subtle patterns of racial discrimination.

Attention

All Women Who MAY Know Where The Gas Tank On Their Car Is:

- Want to impress or compete with your man on car know-how?
- Want to know what that new and peculiar noise under the hood would be?
- Want to know how to change the air filter or where to add brake fluid?

The North Las Vegas Library is conducting a powder puff auto mechanics workshop to help you learn where the fan belt, radiator hose, and carburetor are located, and all the other things under the hood of your automobile that confuse you.

The classes are free and will be conducted by Jack Kissler, faculty member at Rancho High School, and expert in the field. They will be held in the library Tuesday and Thursday mornings from 9:30 to 10:30, January 18th through February 3rd. Phone 649-2363 for further information.

SOMEONE NEEDS YOU

In today's world no one needs to feel unneeded. The Volunteer Bureau of Clark County can attest to that from their files of organizations and individuals needing volunteer assistance.

You can show you care. Handicapped children need volunteers to help on projects, crafts and recreation Monday, Tuesday and Wednesday from 2 to 4 p.m.

Have a heart. The Nevada Heart Foundation needs volunteer help with some telephoning prior to their annual campaign in February.

Gripped children need your help in pasting alphabetical letters to be used in fund raising campaigns. Volunteers are needed now.

If you have a truck you would like to volunteer driving once a week 10 to 12 miles to pick up

food for the less fortunate, the Volunteer Bureau will make arrangements.

Volunteer teachers are needed every Thursday night to teach retarded adults math, English, reading, art, crafts and music.

time and would like to do something worthwhile, the Volunteer Bureau needs you," says Mrs. Purdue. Call the Volunteer Bureau of Clark County at 382-5260 weekdays between 10 a.m. and 3:30 p.m.
