## THOUGHT FOR TODAY THANKFULNESS

God has two dwellings: One in heaven, and the other in a meek and thankful heart. Many favors which God has given us ravel out for want of hemming through our unthankfulness; for though prayer purchases blessings, giving praise keeps the quiet possession of them. The worship most acceptable to God, comes from a thankful and cheerful heart. God's goodness hath been great to us. Let never day nor night unhallowed pass but still remember what the Lord hath done wouldst thou first pause to thank your God for every pleasure, for all of his loving kindness and tender mercy. The private and personal blessings we enjoy, the blessing of immunity, safeguard, liberty, and integrity, deserve the thanksgiving of a whole life. Pride plays thanksgiving, but a humble mind is the soil out of which thanks naturally grows. A proud man is seldom naturally grown, A proud man is seldom a grateful man, for he never thinks he gets as much as he deserves. Let us be more humble in spirit and thankful in heart. He enjoys much who is thankful for little. A grateful mind is both a great and happy mind. May God touch the heart of someone who reads the thought for today.
