## THOUGHT FOR TODAY

To be truly happy and successful persons, we need to be free from any sense of bondage, to the past and to past mistakes. One way to do this is to begin each day with the realization that this day is God's gift of life to us. Knowing that in this day we have a new beginning, we are free from any sense of limitation, we know that changes for the better are always possible. We know that we can be better persons and think and respond in new ways.

God created us to live life to the fullest. We were made in the image of God and meant to live a life of productivity, growth and happiness. We can find new ways to use our God given powers and abilities, today can be a day of joy, success and happiness.

Let us know that this is the day to live and love, to create and share, let us affirm, joyously: "Today is God's gift of life to me. I live it to the fullest." "This is the day which the Lord has made; we will rejoice and be glad in it." Psalms 118:24.

an invitation to attend  
a series of free discussions  
on some of the most  
thought-provoking subjects  
facing our world today.

In the soul of every human being there is a longing, a yearning for fulfillment... for love... for some indescribable something which will fill the mind with peace.

Seventh-day Adventists believe that peace for the soul is the gift of God. They believe that true joy comes from an understanding of His plan, as revealed in His word—the Bible.

We also believe that the Bible was given to all... not just a select few. We think men should study it... together. We invite you to join us in doing just that... in a series of community open-house meetings.

These discussions are free of charge and open to all.

Please accept our invitation to visit us for this outstanding series of meetings.

Sponsored by your Seventh-day Adventist neighbors.  
Co-sponsored by "The Voice of Prophecy," "Faith for Today," "It is Written."
