ELECT A CONCERNED FAMILY MAN LAMAR McDANIEL

1401 Comstock Dr., is more than just an address on a tree lined street. It is a home. The home of Lamar McDaniel. It's occupants are happy and secure. Lamar is a man who knows a family must work together to achieve the love and harmony it takes to build together.

He and his wife Lounell have taught their five children the meaning of love, understanding, and companionship. They all understand that each member of the family is an individual and they act accordingly. The children have been taught that to make a place for themselves in society they must be able to face life squarely. As a result, each one of them works hard at his or her job or individual chores. Eric, fifteen, works the grill at McDonalds, Judy, Fourteen, is a counter girl at Hamburger Heaven, Harvey, Twelve, is substituting for a friend on a paper route, Cedric, eight, is forever busy with chores around the house, and two year old, Andy, has the easiest job, but works harder than anyone. He makes sure that he wins your love and affection and he does.

Lamar, who is presently employed by the Las Vegas Fire Department, is active in community affairs and interested in the welfare of our Children. He has been Chairman of the Board of Operation Independence, served on the nominating and membership committee for Economic Opportunity Board, member of Nevada Voters League, held Vice-Presidency of N.A.A.C.P. for two years, trustee and past choir member of Zion Methodist Church, past Scoutmaster for Boy-scouts of America, assistant coach for Little League Baseball Team and is now serving on the Steering Committee of the Teachers Corps. He is a Candidate for the Clark County Board of Trustees from District "C."

McDaniels is in favor of, a curriculum that will meet the needs of the students, particularly those with difficulties, stressing the three "R"s, Tenure for Teachers after three years of service, allowing Citizens more voice decisions affecting total school administration. Investigating the Opportunity School for purpose and function, maternity leave for Teachers without loss of time or job, and Students Rights. He feels qualified to serve on the School Board, and asks for your vote!
