

Dotti's Doin's

BY DOTTI ALLEN

It's in the 100 degrees and still getting hotter. I know you're looking for a cool spot to relax and have a cool'in cocktail to soothe you . . . sooo if you happen to be in the vicinity of the Thunderbird Hotel on one of those hot weekends, between 8:00 p.m. and 4:00 a.m. look up "sexy soul sister" FANNIE WILLIAMS. This lovely might send your temp soaring upward to the boil'in point, but "WOW" it's worth it. Be sure and tell her Dotti sent you.
