**Nevada Dept. Of Education**

**OBSERVE SCHOOL BUS STOP LAW**

Schools will be open by September 6th in all Nevada school districts.

Over 500 yellow school buses will be in operation throughout the state by that date and over 40% of the children will be transported to school.

The State Department of Education requests that motorists observe the school bus stop law and be aware that school buses are in operation for the 1972-73 school year.

The School Bus Stop Law requires that drivers come to complete stop for school buses when red lights flash unless you are traveling in the opposite direction on a roadway separated by physical barriers, such as fences, ditches and curbing.

**TV-3's "Every Tuesday" Will Become "Community Camera" Sept. 16**

The KORK TV-3 program which John Howe calls "a sort of electronic back-yard fence," will move to a new day with the beginning of the fall season. This past year, the program, which Howe hosts, was called "Every Tuesday," and it moves to Saturday on September 16th, and will be called "Community Camera." It will still be the place where Southern Nevadans will be allowed to talk to the TV audience about the things that concern them. In the first fall program, six Las Vegas religious leaders will discuss what kind of lives Nevadans lead as a result of their view of humanity. "Community Camera" will be seen at 6:30 each Saturday evening, following "Eyewitness News Perspective" and just before "Sanford and Son."
