

Dotti's Doin's

BY DOTTI ALLEN

If I recall, last year signs were posted "back to school - drive safe," and now it seems to be "when to school - how long do we wait?" Back in the early 60's I remember escorting my little ones to Madison Elementary School. Throughout the years, ye old school, remained relatively the same, with little or no change. Oh maybe an occasional face lift with an exterior paint job, but same old run down desks, and refig that would remind you if you are old enough, of the days we used to buy ice by the chunks for 20¢ per 25 pounds. Now it seems as as tho nothing is the same. While yaking with one of the custodians, he happened to mention the fact he had suggested while in the process of painting the outside of old Madison school, a few touch ups were really needed in the inside, and it wasn't until (would you believe) they were informed of the new busing of white students that the whole school was brought up to par... hmmm wonder why? Information on the Clark County school integration situation may be obtained by calling 736-5229, this is a hot line number with a 24 hour recording information service.

A smash dance team, and they call themselves (THE SAGITTATIUNS), consists of two boys and two girls who are superb dancers. These kids are to be commended and if you've seen them perform you know why. Making up the team are: KEVIN DAILEY, GLENN HAYES, SRENTHA CARTER, and RHONDA DORAM. THE SAGIT-TARIUNS have several unique dance routines and range in age from 11 to 14. If you have a chance to see these kids do their thing by all means don't miss it.

Sure enjoy the calls from "ADULTS IN ACTION FOR YOUTH PROMOTIONS", they really keep DOTTI informed. Seems as tho this organization is really out there battin' their brains out trying to acquire facilities, and equipment for the youth. One of the members was tellin' DOTTI how people (politicians included), were passing the buck when approached about a mere \$400.00 for equipment to help these kids, and seems they are the first ones to yell police when these same kids have nothing to so so they throw a baseball through one of their windows. When I know during the campaign bit, they spent that much on booze parties.

DOTTI is so puzzled over the inactivity of her favorite "HARRY LEVY GARDENS SWINGIN' SENIOR CITIZENS." Do you think it could be something went haywire wt the poles? A group of folks called SENIORS IN ACTION, and President MARY WYLE, appear to be the only source of activity goin' on. This group has sponsored picnics, and pot luck every week. Whats with the new officials???
