Seamanship Classes

Identical programs in basic seamanship and boating safety will be presented at Western High School and the Southern Nevada Vocational-Technical Center, starting September 18 and 19, respectively, according to Gary Petersen, coordinator of adult education for the Clark County School District.

Petersen said the programs were being offered in two widely separated locations to give all present and potential boat owners a chance to learn proper navigational and safety techniques.

The Western High class will meet Monday evenings from 7:30 to 9:30 p.m. through December 11. The SNVTC program will meet Tuesdays, from 7:15 to 9:15 p.m. and will run through December 13.

There is no enrollment fee. Registration will be conducted the first class night.
