

We've Been WONDERING

WHY One of our podners that has a first initial similar to that of a long billiard tool, and a second initial that has the exact sound of an insect that gives honey, and a last name which is the first name of the league that "not so well known ball teams play in, don't dye his own hair. For no explained reason the Doll that does his dying sez she is laying to do him in. Could it be he is aware of her intent and is playing it cool until the opportune time.....
?????

WHY A certain self-pronounced and avowed MILITANT whose following has diminished to all but a small number of die-hards that seem to be "not" so interested in making war as they are in making it with the FRAILS don't get the message, like; continuous hassels only adds up to one thing, "quote" Whom the Gods wishes to destroy they first make mad. "unquote".....
?????

WHY With apprx. twenty elbow bending establishments located in the BLACK BELT there is not one Bona Fide Liquor Salesman. Could the reason be the Liquor Lords are just not ready for a BLACK to be in the upper Five Figure Earning Bracket when there is always one of their sons, cousins, distant relatives and friends waiting in the wings to gobble up the goodies.....
?????

WHY One of our podners that is on the last lap of his Internship in Clinical Psychology, another fancy name for "HEAD-SHRINKER" had such a problem enticing a certain well rounded, firm and fully stacked yum yum to lay on "professional" couch so she could let all her hand-ups hang-out. Could the reason be why the yum yum balked is because her troubles first began by laying on a couch, or a reasonable facimile....
?????

WHY The sequences of 5-15-25-35-36-47-58-67 and 1-11-22-29-30-41-51-72 are supposed to be lucky for Libra, Scorpio and Sagittarius....
?????

WHY Too many of our Brothers and Sisters seem to feel it is a bring-down to take advantage of discount coupons when they go shopping. Could it be they associate coupons with taking pop bottles back to the store for refunds. If so they are way off base and are letting absolute false pride keep them from taking full advantage of the full buying power of their hard earned bread....
?????

WHY The gent that thought up a way to punish his "MEAL TICKET" was to make her stand in a corner on one foot don't capitalize on the idea. Dumbo the ELEPHANT is in sore need of a stand-in and "MEAL TICKET" has had plenty of practice doing Dumbo's antics as punishment throughout the years, also she sports fashions for the "FULLER FIGURE" and she would be just perfect for the gig....
?????

WHY Is it that a certain young STUD is taking dead aim on a delightful doll of a secretary by camping on the door step of the office where she works. Could the reason be young STUD is trying to persuade the secretary to become his SEX-retary....
?????

WHY That certain individual that has had practically every educational advantage and cultural exposure and more employment opportunities than any five Blacks yet can't keep a gig, and blames his Brothers for his failures don't take a good long look in his mirror and ask himself who's a fool besides him.....
