

Second Annual Graduation Recognition At Zion Methodist

One of the most important times of a teenager's life is the day of graduation from high school. It signals the beginning of a new area of work, continued education, marriage and more individual independence. The members and friends of Zion United Methodist Church celebrated this experience with fourteen of the recent high school graduates at a special recognition ceremony on Sunday, June 3, 1973. These graduates were presented words of congratulations and encouragement by Mrs. Jennie Crawford, speaking in behalf of the members and friends of the church. The activity was sponsored by the Ruth Circle of the Women's Society of Christian Service. Each student was given a copy of the new testament as a reminder that christianity plays an important part in all of our daily endeavors.

The church's recognition of graduation for Church Celebrates Minister's Birthday

Members and friends of Zion United Methodist Church participated in a surprise birthday party for Rev. Marion D. Bennett in the church multipurpose room on May 31, 1973. Several prior attempts during the past years have failed to complete a successful surprise party for him, but this year the effort succeeded. The church hall was attractively decorated and a full course meal was served to all in attendance. The affair was sponsored by the Gospel Choir with Mrs. Calantha Walker serving as chairman.

Rev. Bennett was presented with gifts and a money tree as expressions of appreciation from members and friends. He has served Zion Church and the Las Vegas Community for the last thirteen years.

students of the church and their friends grew out of a concern by the Ruth Circle that the church needed to express its support and approval of the achievements of its young members. Traditionally the church has been the training ground for the talents of many of our young people. The Ruth Circle desires to instill the thought within the minds of the young that the church not only remains relevant to our lives but continually provides the moral and spiritual input that we all require to be at peace with ourselves and our fellowman.

Those participating in the exercise were the following: Pictured left to right (seated): Jackie Smith, Kathy Watkins, Janice Moore, Yvonne Moore and Patricia Watkins. Standing: Marvin Caperton, Al Greer, Michael Holmes, Carl Williams, Pat Wilson, Sam Smith, Jerry Cooper, Frank Glasper and Diana Bolden.

BAHA'I FAITH WORSHIP

The Bahai's believe that arts, sciences and all crafts are counted as worship. The man who makes a piece of notepaper to the best of his ability and concentrating on it is giving praise to God. Briefly, all effort put forth by man from the fullness of his heart is worship, if it is prompted by the highest motives and the will to do service to humanity, this is worship; to serve mankind and to minister to the needs of the people.
