

## Top Black Leaders To Answer Modern Day Challenges

ST. LOUIS. Scores of America's top Black leaders in science, communications, publishing and business will meet in St. Louis on July 31 through August 5 when Omega Psi Phi Fraternity holds its 55th Annual Grand Conclave.

The national fraternity of 40,000 college trained Black men is headed by Exxon executive James Avery of Scotch Plains, N.J. In his office in New York, Avery said that this meeting will be the largest in the 62 year history of the fraternity. He also said that "now is the time for Black leadership to help reassess the goals for Black Americans in this democracy".

Some of the top American Black leaders to take part in the key program in St. Louis, all members of the fraternity, are William Kennedy, president of the North Carolina Mutual Insurance Company, the largest Black owned and operated business in the world; Milton Johnson, an executive and buyer for the J.C. Penny Company;

Dr. Hildras A. Poindexter, internationally famous bacteriologist, author, and lecturer; Garth Reeves, publisher of the Miami Times and president of the National Newspaper Publishers Association; Earl Graves, magazine publisher of Black Enterprise, America's foremost publication dealing with Black business, and Bayard Rustin, executive director of the A. Philip Randolph Institute.

Omega Psi Phi Fraternity was founded at Howard University in 1911 by Drs. Oscar J. Cooper, Ernest E. Just, Frank Coleman and Bishop Edgar A. Love. Bishop Love is the surviving founder and lives in Baltimore, Md.

According to Harold Cook, Esq., executive director of Omega Psi Phi Fraternity, headquartered in Washington, D.C. the conclave should attract to St. Louis at least 7,000 members of the fraternity, their families and friends.

The Veterans Administration says that in fiscal year 1972 about 12,200 disadvantaged people trained in its hospitals and clinics for health service and related occupations.

In Australia, someone who doesn't vote gets fined. In America he's just laughed at.
