

# We've Been WONDERING

WHY? Podner, Steve Dyson suddenly decided to push ignorant oil in a location that the owner and three others couldn't make it in and came away wasted. Could it be Stevo isn't satisfied to be broke and wants to experience being bent completely out of shape.  
?????

WHY? a certain female all but went to war with a friend whom she confided in, that put what was told in the streets don't realize that when more than one person knows something it is no longer a secret, also if she couldn't keep her business to herself how could expect some one else to keep it.  
?????

WHY? a certain would-be bully-bad understanding stud that horns in on (uninvited) others conversations seemingly with rocks in his jaws because if anyone dares to disagree with him bullyboy has to be rubbed down and bullsh-----d into "not" making a scene don't get the message like; violent fires soon burn out themselves.  
?????

WHY? the two teen, San Quenten Quails that recently got busted while trying to rip off a few cheap threads from a store located on "Glitter Gulch" didn't first check the layout. The joint is loaded with two way mirrors, cameras, buzzers and spotters. Okay, if first you don't succeed find out the reason why from super-slicks in the slammer.  
?????

WHY? that certain married lady with time on her hands and tried gambling to pass time and all but blew the family jewels, and having no special skill to get bread to feed her habit turned to the worlds oldest profession and after a few dates wound up in the clink and has hubby snowed that her friend and associate is the cause of it all don't realize, one ought to have a good memory when he has told a lie.  
?????

WHY? the sequence of 2-4-6-11-13-25-26. And 30-40-50-60-63-64-69-78. Are supposed to be lucky for Leo, Virgo and Libra.  
?????

WHY? the certain porter after finding a \$100 chip on the floor and when he tried to cash it all he got was his feelings hurt and no chip and no money also all but blew his gig didn't first do a little checking with some of the older porters, they would have hipped him, a porter isn't supposed to have a "C" note even on payday.  
?????

WHY? a certain employer when out ballin' toke like money is going out of style and yet hardly pays his workers a living wage. Could the reason be he values the smile of a cocktail waitress more than the services of a loyal employee. mmmmmm
