

Dotti's Doin's

BY DOTTI ALLEN

Dropped in on my favorite swingin' senior citizens the other day just to see what new developments were taking place, and to my surprise I was informed of the recent elections and gess what, a new president and officers to boot. I might add it came about none too soon, because the old Harry Levy Gardens seemed to just be drying up to blow away with the dusty winds and tumbleweed from lack of activity since the last election. Good luck and I hope to see all the seniors there truckin'.

On the scene for top notch entertainment if you haven't checked it out, the Mau Mau room that is, THE MIGHTY MIGHTY RAPPERS, are doin' it for you six nights a week and the place rocks into the wee wee hours of the morning. Another mention about the RAPPERS, they just recorded a sure hit titled "The Krunch-berry Beast" and believe me it's like something you've never heard before, and the hint I get MGM will be taking credit for pushing the beast to the public. Watch for it and stop by the Mau Mau on West Owens to give a listen to this swingin' group.

Have you heard of a label called "FAD VEGAS"? and a vocalist FREDERICK HYMES III, and a song entitled "Time Ain't Gonna Do Me No Favor???" well...sure it's an old song, but with a new twist, and the record is just too far out. The FAB VEGAS, label just has to be a goin' with WILLIE PERRY the arranger and OTIS HARRIS, JR., producing.

I've been writing and writing about the perpetual stream running stinkily down Miller Hill, and now I think the responsible parties have re-routed it for when driving down Loosee Road at the intersection of Loosee and Carey I smelled the old familiar Miller Hill stench and glancing out my auto window there it was another stream equally as smelly, if thats possible, I wonder where it'll show up next?

Clark County law officials have said they will clamp down on prostitution in Las Vegas. It has been rumored that higher "ups" will demand stiffer sentences, if prostitutes are caught plying their trade. Officials have stated that they want to put in effect a minimum of \$250.00 bail, and impose sentence for first offenses upon any prostitute caught in this action. Other city officials feel that a \$250.00 fine may not prove to be a deterrent to the excessive rate of out of town and local ladies of the evening. In my opinion prostitution has and always will be with us as long as man and woman, prefer to remain within the global bounds of this planet...-So be ye judge, council, or jury the results will remain the same...so it's up to you registered, non-registered voters to cast the first stone as it says in the Bible..YOU BE THE JUDGE.

THE KING OF THE PLAYERS

LOUIS CROCKETT

On Tuesday, June 19, 1973 Louis Crockett was crowned "King of the Players." The idea was conceived by Mr. Willie Neal, General Manager of the Pan Afro Auditorium and needless to say the affair was a resounding success.

Mr. Neal had observed in New York, Chicago Detroit, etc., Los Angeles and San Francisco where a players ball is the highlight of the winter or summer season, and in keeping with the times in other areas the first "Players Ball" ever held in Las Vegas was on June 19, 1973 at the Pan Afro Auditorium. Right On!

Volunteers Needed To Help With Handicapped Children

There's a young boy living in Henderson. He needs to go to the Easter Seal Treatment Center three times a week. His only means of transportation is by taxi. The Voluntary Action Center of Greater Las Vegas is trying to find a volunteer to help him by driving him from Henderson to Las Vegas. Anyone interested should contact the VAC at 382-5260.

Volunteer drivers are also needed to take other children and adults to hospitals, clinics and doctors' offices.

A variety of voluntary community service opportunities are available in local convalescent homes and in working with deaf children.

Training for volunteers to tutor in reading in the schools will begin July 9.

The Voluntary Action Center is open weekdays from 10 a.m. to 3:30 p.m. and is located at 319 South Third.

VA NEWS

Veterans over 65 do not have to reveal detailed income information in order to qualify for VA medical care. They also may be eligible for VA nursing home and domiciliary care.

The Veterans Administration recently opened its first specialized hospital unit for stroke victims and the agency is conducting an intensive medical research attack on strokes, heart disease, cancer, and emphysema.
