

We've Been WONDERING

WHY? a certain Miss Fine Brown Frame (new to these shores) that is very capable doin her thing, like; dispensing kickapoo joy juice, have the would-be's and the players gogling and ogling and the working stiffs doin the Flash Gordon, don't let up on the wide-eyed innocent act she does whenever the Champ of The Chumps show. On second thought if she did show her true colors, El Chumpo is so smitten, he wouldn't know the difference between a Nose opener and a "Kan" opener.
????? ?????

WHY? the dear Soul that was chewed out the way a meat grinder makes hamburger, from the pulpit, no less, instead of taking the members to task because the "Preach" done what he had to, don't fly right and straighten up. Note: A little easy pushing isn't too noticeable but to have one hand off in the cookie jar up to the elbow and the other hand skimming the milk off the top is just too muchingfuch.
????? ?????

WHY? at every opportunity a certain Dude pats, pet, give a little bread and all but kiss the feet of two brat-nasty offsprings that he was in no way involved in siring. Could his reason be, take the children by the hand as an opener to mom's heart.
?????

WHY? a certain few Hen House Hams are clucking, cackling, and gloating over an unfortunate incident that involved several regular - regulars, don't think back to what the 'Almighty Scribe' came on with when the populace stoned the prostitute. (quote) He without sin cast the first stone. (unquote) We say, don't pat me on the back and call me brother. dig!
?????

WHY? the sequences of 1-11-12-13-21-31-32-42. And 5-6-15-16-25-26-36-37. Are supposed to be lucky for Sagittarius, Capricorn and Aquarius.
?????

WHY? Podner Steve Dyson, is so selective about the customers that patronize the "White Elephant" he recently opened. Can you imagine anyone in the Gin-Mill Business puttin the word out they are interested in only catering to single males and single females. The married folks aughta snitch to Mr. Scott.
?????

WHY? the "Grey Boy" that came stone-unglued when he made it to his broads pad, his key fit, but the chain-lock was on, and he busted the door in and found a brother (of all people) doin a little Arithmetic, like; finding out how many times 29 would go into 23 and at the same time adding a little color into his life, and not looking before he leaped wound up like Frazier after Foreman had done his thing, didn't first consider, it's not how long you make it, but how you make it long.
?????

WHY? one of the lowest animals in the world is not in the jungle but right here in our midst. This "Punk" plays on his wife to such an extinct that she is mad at, and suspicious of practically every man and woman that they have even a nodding acquaintance with. Can you get ready for a stone "Trick" convincing his spouse and have her believing that "all" the women try to hustle him and all the men put their women up to it.

Nevada Department Of Education Free Lunch & Breakfast

The Department of Education announced today the income guidelines to be used to determine eligibility of children to receive free lunch and breakfast during the 1973-74 school year. These income levels are the maximum allowable under law and are 25% above the minimum income poverty guidelines established by the Secretary of Agriculture. Children from families whose income is at or below the applicable family size income shown on the table below will qualify for free meals.

Family Size	Income
1	\$2,740
2	3,600
3	4,460
4	5,310
5	6,100
6	6,890
7	7,600
8	8,310
9	8,960
10	9,600
11	10,240
12	10,880

Each additional family member \$640

Eleanor Bateman, State Supervisor of Food Services believes the increase in the amount of allowable income will enable more children from low income families to have a nutritious lunch at school. Approximately 8,950 children were receiving free lunch in Nevada public schools during the 1972-73 school year.
