

Dotti's Doin's

BY DOTTI ALLEN

It's almost time for the school bells to be a ringing again, and it sure has po' DOTTI, wonderin' what changes will be takin place in the M----- infiltrated school system, It also has DOTTI, wondering what things are going to be like without the three main black educators, seems as tho they are not in the Clark County School district employ, and as of yet they have not been replaced. It appears that when these educators are dropped from the payroll, they are replaced by whites rather than other blacks. I do hope parents of children being railroaded into the "special ed." classes are aware what is actually happening to their children, and are aware that their children may only be placed in these classes with the parents permission, and written consent.

I wonder why it is certain press releases never reach the black press, until the events affairs or whatever occur?

It seems as tho Harry Levy Gardens, and my favorite swinging senior citizens are coming to life once again since the election of new officers. At one time it seemed as tho po' DOTTI, would have nothing to report on these swingers again, but big things are in the making. Watch for it.

Vegas' own local youth group "The RAPPERS" seem to really be gettin' into something. The groups recording "I've Tried and The Krunchberry Beast" has traveled all the way to Memphis Tenn. and Chicago Ill., also Hollywood California. Watch the charts for I think it has the potential of being hit material.

Have you noticed that veree popular club on Las Vegas Blvd. north, in the same shopping center of the Modern House Budget Furniture, has raised the prices of the spirits, the admission at the door, and making money on top of money, does not seem to be investing a penny of that money to make any more comforts for the patrons?

I just must tell my readers about more perils of po' DOTTI, well... it happened like this I was visiting a neighbor, and one of the fellas there was practicing with some sticks I think they call Karate sticks, and while the kind gent was twirling them around and around I decided to leave the house sooo I walked behind him cuz I thought he was finished, and gess what he wasn't and all of a sudden po' DOTTI, saw stars heard birds chirpin', bells ringing, and ohh what a pain, and about five seconds later a huge egg on the head, sooo today DOTTI, has the prettiest shiner you ever wanted to see. Everybody ain't able.

SENIOR DRIVERS PAY LOWER FEE

CARSON CITY---Nevada residents 70 years of age or older who renew their driver license now pay a \$3 fee for their license, instead of \$5. The \$3 fee also applies to those individuals 70 years of age or older who apply for an original Nevada driver license.

William Fitzpatrick, Chief of the Driver's License Division, Department of Motor Vehicles, indicated upon the Department's recommendation by the 1973 Legislature enacted the law reducing the driver's license fee for renewals or original licenses for drivers over 70 years of age since their license is valid for only two years rather than four years..

The law applies only to those original licenses or license renewals issued to individuals after they reach their 70th birthday.
